TAKE TWO Speaker for Monday April 8, 2024 - Dr. Dominic Marino, Orthopedic Clinic

Dr. Dominic Marino is a board-eligible orthopedic surgeon who is fellowship trained in total joint surgery and specializes in treating all conditions involving the hip and knee in adults and children. Dr. Marino joined The Orthopedic Clinic in August 2023.

Dr. Marino is trained in anterior hip replacement, partial and total knee replacement, robotic-assisted surgery, muscle-sparing surgery, and arthroscopy surgery. He focuses on same-day total joint replacement procedures. He is particularly interested in arthritis surgery of the hip and knee and trauma of the lower extremity. His fellowship education furthered his expertise in taking care of patients with complex, failed, or infected joint replacements in need of a revision surgery. He also believes in a personal approach to care and prioritizes taking the time to understand a patient's individual concerns, provide education on treatment options, and develop a collaborative care plan.

He grew up in Queensbury, NY, and pursued a degree in Biomedical Engineering at the University of Rochester. Prior to attending medical school, Dr. Marino patented and constructed a medical device that enables stroke survivors, upper extremity amputees, and others with the use of one hand to participate in the sport of cycling, providing an outlet for recreation and rehabilitation. Dr. Marino received his medical degree from Lake Erie College of Osteopathic Medicine, where he was involved in medical outreach trips to Haiti and was inducted into the Sigma Sigma Phi Honor Medical Society.

After receiving his Doctorate, he completed his Orthopedic Surgery residency at Michigan State University. After residency, he completed his fellowship training in adult reconstruction and complex hip and knee revision at The Florida Orthopaedic Institute, internationally recognized for orthopedic innovation. He has published clinical and basic science research papers and presented his work at national meetings. He has also served as a reviewer for the Journal of Arthroplasty.

As a surgeon at The Orthopedic Clinic, Dr. Marino sees patients at the following locations: Daytona Beach, Palm Coast, and Port Orange.

Sign Up Now to Participate in our Josh the Otter Program

We are looking for volunteers to read the book "Josh the Otter" to local schools in our area. This project aims to promote literacy and inspire young minds through storytelling. If you are interested in participating, please click the link below and check if your schedule allows for volunteering. Thank you for being a part of this Rotary project! Your involvement will undoubtedly contribute to developing young readers in our community. Click here to sign up: bit.ly/3xINyUI

Proposed New Members for April 2024

Dear Member:

The names below have been recommended for membership in the Club. The Membership Committee and the Board of Directors have approved them,

As specified in our club's by-laws:

“A five (5) day period shall be allowed during which any member objecting to the election of the applicant shall notify the Board in writing stating the reason for their objection; or any member objecting at a meeting of the Board of Directors within the five (5) day period that they will appear before them at the next meeting to state their objection.”

If no objections are received within five (5) days, the applicant(s) will be invited to become a member.

William Hoover -- Credent Wealth Management - CX Institutional, Partner of Wealth and Portfolio Management

What does Rotary mean to you? Honesty, Truthfulness, Service

Where were you born and raised? I was born in Jackson, Mississippi and moved to Ormond Beach at age 12. I graduated from Seabreeze and Emory University.

Tell us about your family: I have two sons and five grandchildren.

Are you involved in any civic organizations? I was in Leadership in Palm Beach, Red Cross Fundraising, Operation Home Proud - Board Member, Ethics Commission, Parents Board of Directors for FSU in Palm Beach County.

Fun Fact about you? I have a son who is retired.

Have you been involved with Rotary before? My Father was a Rotarian when I was younger.

Rotary International News - April 15, 2024

Meet Gabi Fleury: Conservation Biologist & Interspecies Diplomat From battling cancer to listening to a wild cheetah's heartbeat, Fleury's journey is one of resilience and passion. As a #Rotary global grant scholar, she works to ease human-wildlife conflicts, focusing on carnivores like cheetahs and leopards in Botswana's Kalahari Desert. But her impact goes beyond the field. As founding member of the Black Mammologists movement, she's breaking barriers in conservation.
