## Upcoming Training Opportunity

### Vibrant Club Seminar

Saturday, August 26, 2023

8:00-8:30 am Registration and Breakfast  
11:30 am Lunch  
3:15 pm Closing

Thrasher-Horne Center  
St. Johns River State College  
Orange Park.

The Vibrant Club Seminar is our late summer/fall District training session. This training is intended for all Rotary members. The training focuses on membership, The Rotary Foundation and on Rotary's Public Image. Sometimes we refer to these relationships as Rotary's three-legged stool. If one leg is not operational, the stool gets unstable; therefore, we will spend this seminar focusing on these three critical areas of your Rotary club. We will also be adding a track on leadership this year.

During this seminar, we will have a chance to acknowledge the achievements of the past Rotary year in these same three categories.

So come learn how to grow your membership! Grow your knowledge and outreach to The Rotary Foundation, learn how to communicate these achievements to the public in a significant and meaningful way, and celebrate the accomplishments your club made in the previous year with respect to membership, The Rotary Foundation, and your club's public image.

## Congratulations from the District

The 2022-2023 final membership numbers are in! Congratulations to **Daytona Beach** with **25%** growth. Tremendous results! Nine other clubs also ended with net gains in membership. Large clubs have a big impact on results for their district and the zone.

6970	Daytona Beach	103	129	26	25%

A huge thank you to the membership team of Priscilla and Roosevelt as well as DJ Lebo. They were instrumental in achieving this growth.

### Membership and New Club Development

On the Rotary calendar, August is Membership and New Club Development month. It probably goes without saying that Rotary Clubs are the members. Without engaged People of Action, clubs are incapable of making any positive impact in our communities. Seems obvious, right? However, we continue on with our club routines and traditions year after year, and it seems like "all of a sudden" membership is down, fewer volunteers are engaged in activities, members come to meetings less frequently and then, sadly, the viability of the club is in doubt.

We were fortunate that membership grew District-wide last year. But unfortunate that two clubs made the difficult decision to surrender their charters and disband.

The continuous care and development of our clubs is not just the responsibility of the President or members of the Board of Directors. This

**John Tabor**

takes all of us, to be objective, critical when necessary, and always mindful of our club's image and impact. The challenges and opportunities are different for every club and the number of factors that determine club vitality is vast.

District Governor

There are many District and RI resources available to educate, inform and inspire you. Whether you're interested in ideas to energize your club or to investigate increasing your community impact by forming a new club; traditional, impact, satellite or Rotaract.
