Rotary International News - December 2, 2024

From Exchange Student to World's Best Pastry Chef

In 2024, Nina Métayer was named the World's Best Pastry Chef. But long before her rise to the top, her journey was shaped by a Rotary Youth Exchange program that took her to Mexico at the age of 16.

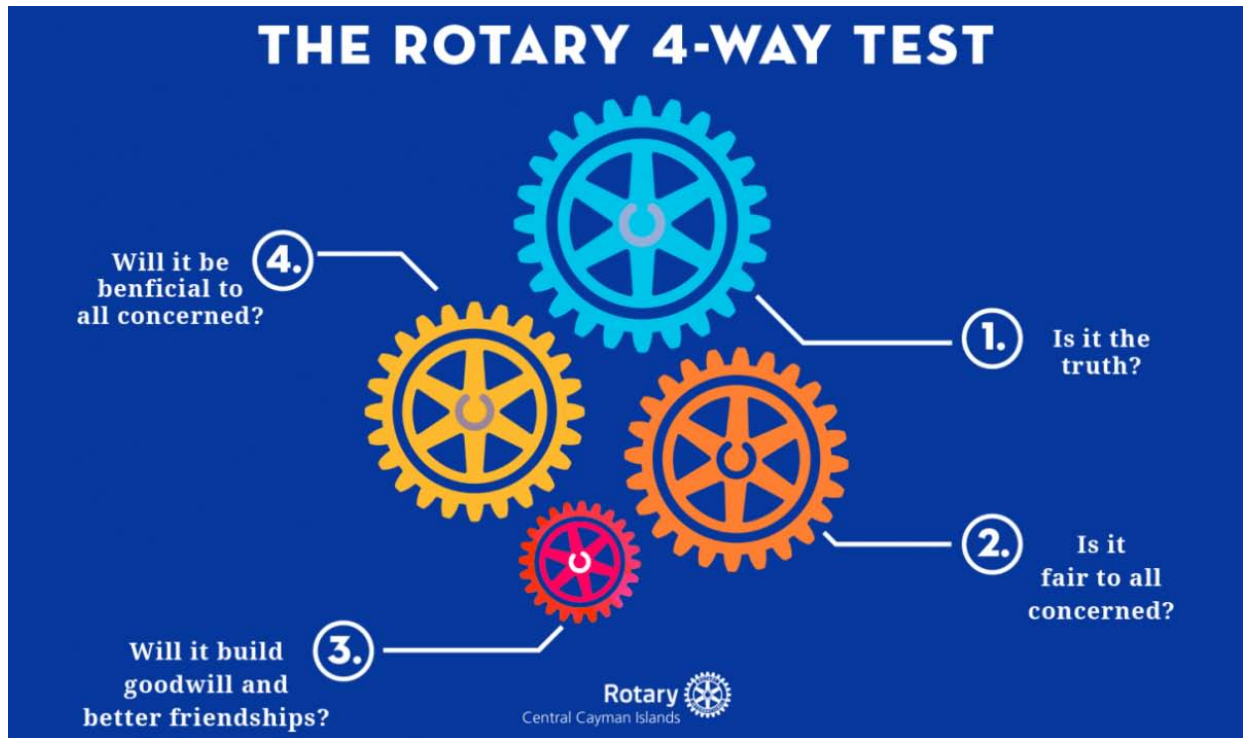

"My year as a student was a determining factor in my professional choices," Nina shared. Her time in

Mexico not only helped her master Spanish but also inspired her to pursue a career as a pastry chef and entrepreneur.

Today, as a renowned chef, Nina continues to give back to her Rotary community, participating in service projects and supporting local initiatives.

How has Rotary shaped your journey?
