Lt. Governor

John D. Tabor  
District Governor

Mickey Ulmer  
DG-Elect

Scott Burgess  
Assistant Governor

Hewitt J. Dupont  
Assistant Governor

Charlie Flynn  
Assistant

### Speaker for Monday, February 5, 2024 - Club Membership Team

The Rotary Club of Daytona Beach holds a rich history within the larger context of Rotary International. As we gather this week, our membership team will delve into the origins and development of Rotary, with a particular focus on our esteemed local chapter. By understanding our roots, we can better appreciate the benefits of being a Rotarian and inspire others to join us in making a difference.

Rotary was founded in 1905 by Paul Harris, an attorney from Chicago who sought to foster fellowship among professionals and serve their communities. Since then, it has grown into a global network of over 1.2 million members in over 35,000 clubs worldwide. The Rotary Club of Daytona Beach was established in 1920 and has been an integral part of our community ever since.

Being a Rotarian offers numerous advantages. First, it provides opportunities for personal growth through leadership development programs and networking with like-minded individuals. Secondly, Rotarians have access to various service projects that address critical issues such as poverty eradication, disease prevention, clean water initiatives, and education.

By inviting others to join our group, we extend these benefits to them while also expanding our collective impact. Each new member brings fresh perspectives and skills that enrich our club's capacity for service. Moreover, by growing our membership base, we increase the resources available for supporting local causes and international projects.

This week's discussion on the history of Rotary will remind us of the legacy we carry as members of the Rotary Club of Daytona Beach. We will emphasize the benefits of being a Rotarian and highlight how each individual can make a difference by inviting those they know to join us in serving humanity. Together, let us continue building upon our proud tradition while embracing new opportunities for positive change!

## 2024 Super Bowl Pool

The Super Bowl is undoubtedly one of the most anticipated sporting events of the year. It brings together millions of avid and casual fans to witness the clash of titans on the football field. However, for some, the excitement extends beyond just watching the game; it lies in participating in various activities associated with this grand event. One such activity is the Super Bowl Pool!

Attached is the finalized pool sheet for next Sunday's big game. This pool sheet allows individuals to participate in a friendly competition and potentially win cash prizes. The rules are simple: \$50 will be paid out to the winner of Quarter 1, \$75 for Quarter 2, \$125 for Quarter 3, and a whopping \$250 to whoever holds the square for the final quarter.

But this pool sheet isn't just about personal gains; it also serves a greater purpose. The Rotary Club of Daytona Beach will receive a generous donation of \$500 from this event. This contribution will support future projects and services that benefit our community.

Good luck, everyone!

## Rotary International News - February 5, 2024

Relocating from California to Uganda, Dr. Scott Kellermann and his wife, Carol, dedicated their lives to the Batwa community. Their remarkable journey, from setting up mobile clinics to founding the Bwindi Community Hospital, is a testament to the power of collaboration.
