New Rotary Partnership

Dear Rotarian,

I am excited to share some good news: Rotary International and Toastmasters International are working together to provide our members with even more opportunities for personal and professional growth.

Toastmasters International is a global nonprofit organization with more than 16,800 clubs in 143 countries. Its members attend club meetings where they give speeches, evaluate the speeches of others, and perform other club duties, with the goal of ultimately becoming more confident speakers, communicators, and leaders. Our organizations are complementary in many ways, but we are each unique in what we offer our members.

I hope you will join us in supporting this alliance in your community. You can start by [learning more](#) about Toastmasters, exploring its [resources](#) and [public speaking tips](#), or visiting a [local Toastmasters club](#). Although the structure of club meetings is consistent, Toastmaster clubs are similar to Rotary clubs in that they each have their own personality. If you do not have a club in your area, you can watch a video to learn [what happens at a Toastmasters meeting](#).

You can also invite members of Toastmasters to visit your club and learn more about Rotary. If you have a Toastmasters club in your area, consider meeting with its members to explore opportunities to collaborate or inviting a member of Toastmasters to participate in a service activity or speak at your club.

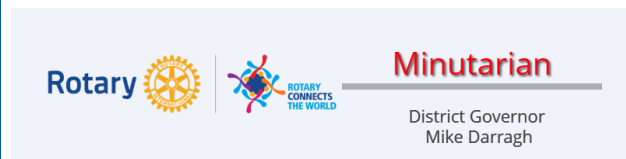

Toastmasters will create a leadership development program for Rotarians and Rotaractors. A structured, robust leadership and communication curriculum can help members develop practical skills that will serve them not only in Rotary leadership roles, but in their professional and personal lives as well. Effective leadership skills can strengthen our clubs and increase our impact. We will provide updates about this program when we have more details.

Many of us joined Rotary to make a difference and connect with others in our communities. By working with Toastmasters, our members can discover new ways to network and learn from others, while finding even more value in their Rotary membership experience.

Message from Our District Governor Week 28, January 5, 2020

Happy New Year! ♦♦♦and HAPPY NEW DECADE!

This month, our district has been invited to share our membership success: In two weeks, we will address all the District Governors from across the world. One week later, we will go to Rotary headquarters for a brainstorming session with a group of other outstanding districts. Your club is a big reason for our success. It♦♦♦ why we keep growing the impact of Rotary in Northeast Florida.

In the next two weeks, I♦♦♦ asking our Assistant Governors to find out how each club has done two important tasks:

- Improving your club as a result of our members♦♦♦ feedback from our May Survey; and
- Achieving the Rotary International Club Citation each year.

Many of our clubs say they are ♦♦♦Best in US♦♦♦ ♦♦♦Best in the World♦♦♦, or ♦♦♦my favorite♦♦♦Best in the Galaxy♦♦♦. We want to help our clubs stay that way, by listening to members so we make our clubs even better, and by growing our network of great Rotarians.

I thank every one of you, as we start this new decade. YOU are the force that makes Rotary the most effective civic organization across the World♦♦♦ and maybe even the Galaxy.

?Mike Darragh
