Rotary members are helping those affected by devastating wildfires in southern California through hope, relief, and resilience.

From local members raising over \$250,000 for relief efforts to lending spare bedrooms and providing money, clothes, food, and listening ears, Rotary clubs are coming together to deliver aid and hope for recovery.

Learning with Leaders

“Reimagining Fundraising” is the topic of the inaugural “Learning from Leaders” Series presented by Halifax Health. Bill Crouch, known as “The Fundraising Analyst,” will speak about rethinking fundraising efforts to ensure long-term sustainability and growth for a variety of public and private nonprofit organizations.

“Fundraising is more than just securing resources—it’s about creating meaningful connections, fostering innovation and building strategies that resonate with the heart of your donor community,” Crouch said. “At EVOLVE’s Learning from Leaders Series, I’m excited to share how nonprofit

organizations can unlock their full potential with a blueprint designed for success."

Howard Holley, Founder and CEO of EVOLVE Communications Group, explained Learning from Leaders' purpose.

"Our goal is to create with our partners, such as Halifax Health, an opportunity for our readers to learn how to lead with purpose, fund with passion and grow with impact from leaders who have the experience and success to help us all to Evolve," he said.

The event takes place Feb. 7 from 7:30-9:30 a.m. at the Mori Hosseini Center on the campus of Daytona State College.

Dave Kolodzik - CRVS,PPIA, Expert Reserve Services

What does Rotary mean to you? Rotary to me is a service organization of individuals dedicated to helping out the community as a whole. I believe that it differs from other similar type groups in that it is usually made up of business owners and community leaders. It also seems to have more comradery than other organizations. I have enjoyed doing 'make up' meetings when I have traveled - making new contacts and bringing back new ideas to my home club. The 4-Way Test is always on my desk and I try to live by it.

Where were you born and raised? I was born in Columbus, Ohio. However, since my parents relocated to West Volusia County when I was 2 months old - I don't claim it. I'm a Florida boy. Deland Bulldog!

Tell us about your family. My wife, Anastasia, and I have 3 daughters and 2 grandchildren. All live here in the area.

Are you involved in any civic organizations? I am a board member of the Halifax Foundation - we provide scholarships to students at Daytona State College and Embry Riddle. My wife and I are active supporters of MOAS and DSC. Anastasia is on the board of the Ormond Historical Society - so I end up 'volunteering' for them as well.

Fun Fact about you? I am a huge history buff. I meant my wife because we were both historical

reenactors. Our favorite places to go on vacation are historic sites, where we often 'dress for the occasion'.

Have you been involved with Rotary before? I was a member of the Big Pine Key Rotary for many years - serving on the board of directors for 2 of them. I am a Paul Harris Fellow.

Jonna Royer "JJ", MOAS, Executive/Chief Financial Officer

What does Rotary mean to you? Rotary represents an opportunity to connect with others who share my passion for service and community enrichment.

Where were you born and raised? I was born and raised in rural Michigan, where small town values like hard work, community and creativity shaped who I am today.

Tell us about your family. My family is everything to me and we are extremely close. I have two grown daughters and I am so proud to see the young women they've become and I know I had a hand in that.

Are you involved in any civic organizations? In my previous position, I was involved in Kiwanis, but left that corporate membership when I joined MOAS.

Fun Fact about you? I celebrate the "20 Days of Jonna" leading up to my birthday on November 20th with mini celebrations each day because life's too grande to celebrate in just one day.

Have you been involved with Rotary before? Not officially. When I lived in Ocala, we were friends with a lot of Rotary members and would often attend their meetings as guests.
