**IMAGINE ROTARY**

**Rotary**  
District 6970

It is not too late to still make your club's commitment for RYLA 2023, but you must do so TODAY. We are hoping that every club will sponsor 2 students. **Has your club completed the [pledge form](#)**? Club commitment forms need to be turned in electronically today, **Monday January 23, 2023**.

On Saturday March 25 at Beachside High School in St. Augustine, we will be doing District Grant Training for those clubs planning to apply for grants during the 2023/24 Rotary year. More details will be forthcoming. Two club members who will be involved in your grant submission are required to attend.

On Sunday January 15, Maureen and I had a chance to visit District 6990 in Miami and have dinner with Rotary International President Jennifer Jones and husband Nick Krayacich. She is clearly bringing Rotary to new heights as she shatters the glass ceiling in so many ways.

A fun night at the Satellite Club of Southpoint.

Maureen and I had a great opportunity to visit The Rotary Club of Gainesville Sunrise and enjoy their Dueling Pianos. VP Kevin Golden is the most committed Georgia Bulldog that I have ever met. Thanks, President Pam Gretter, for giving us a really fun evening.

Rotary International News - January 30, 2023

The past few years have taught us all a bit about the value of connection. According to a 2018 report, intergenerational programs are particularly effective in fostering well-being. Bridging Generations, a project organized by the Rotary Club of Chichester Priory, uses this principle to loneliness by connecting college students with older people.

### The Four Way Test

“

Is it the truth?  
Is it fair to all  
concerned?  
Will it build goodwill  
and better friendships  
Will it be beneficial to  
all concerned?"
