Program for Monday July 10, 2023

Rotary Scholarship Winners for the 2022/2023 Year

A blue banner with the text "ROTARY SCHOLARSHIP PROGRAMS" in white, bold, sans-serif font. To the right is a large yellow Rotary International logo. In the bottom left corner, the word "Rotary" is written in white next to a smaller yellow logo. In the bottom right corner, the year "2015" is written in white.

During our program on Monday, our Scholarship Chair Judi Winch will give a background on the program, the overall impact it has and introduce us to some of the 2020 recipients. This is always a favorite meeting of many Rotarians. We hope your schedule allows you to attend this inspirational meeting!

"If we can inculcate Rotary values and the spirit of service at a young age, it stays with you. It never leaves your mind," says Patrick Chisanga, a former Interactor turned Rotary International Director.

Chisanga's Rotary journey has been transformative, shaping his belief in the power of youth.

The Vibrant Club Seminar is our late summer/fall District training session. This training is intended for all Rotary members. The training focuses on membership, The Rotary Foundation and on Rotary's Public Image. Sometimes we refer to these relationships as Rotary's three-legged stool. If one leg is not operational, the stool gets unstable; therefore, we will spend this seminar focusing on these three critical areas of your Rotary club. We will also be adding a track on leadership this year.

During this seminar, we will have a chance to acknowledge the achievements of the past Rotary year in these same three categories.

So come learn how to grow your membership! Grow your knowledge and outreach to The Rotary Foundation, learn how to communicate these achievements to the public in a significant and meaningful way, and celebrate the accomplishments your club made in the previous year with respect to membership, The Rotary Foundation, and your club's public image.

According to Paul Harris

Paul Harris
Rotary Founder

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Kaleidoscopic changes are taking place, many of them without our will. Even to hang on to the fringe of this fast-changing world is about all most of us can do. Rotary simply must continue to pioneer or be left in the rear of progress."
