With a background of 12 years in video, film and television production, James Carey's work is signature. There's a cinematic flair to his eye. Anyone can take a picture, but James photographs the essence of a person. He finds perfection in the pose. He has mastered the art of lighting and composes in a way that is visually appealing. He and his camera are one, an extraordinary pair whenever they are together. Known as an alchemist, James shares his artistry through photography and design with the world. His counterpart, LaToya Carey, brings 14 years of dedicated experience from the retail banking industry. LaToya is credited with efficiently operating Kenneth Grant Inspirations for over 6 years. It has been said that being in the presence of LaToya is like reuniting with an old friend. LaToya is the secret ingredient to providing that personalized touch that clients deserve. The married couple of 21 years crafted a photographic experience that leaves an imprint too memorable to ignore.

Training Opportunity and Not Just for Club Presidents

RLI Rotary Leadership Institute

building a better Rotary through education

Saturday, August 6th Daytona State College...Palm Coast

At RLI, you will share discussions with newer members starting their Rotary journey. You will meet members of many years looking to expand their Rotary knowledge. You will learn the different perspectives of Rotarians from around our District, and you will have time for networking with those same Rotarians. But just remember, discussion group size is limited and registration closes on Wednesday, July 27th. Register today!

Analyzing Your Rotary Club, Service Projects, Strategic Planning, Rotary Opportunities, Effective Leadership Strategies, Service Project Grants, and Rotary History are just some of the interesting topics discussed. Plus a special Graduate Class will focus on Transforming Your Club... Good To Great, a lively and timely course available to all RLI Part 3 Graduates.

Join us for "In-Person" RLI . . . Saturday, August 6th
Breakfast and Sign-In 7:00 – 7:45am
Classes Scheduled from 8:00am to 3:15pm

Daytona State College
Flagler/Palm Coast Campus
3000 Palm Coast Pkwy., Palm Coast, FL 32137

\$100.00 Fee per Rotarian
includes class registration, course material and notebook, breakfast, lunch, facility fees and course completion certificate. *Note: some clubs subsidize this expense. Ask your club leadership for details.*

For more information, contact District Director Mickey Ulmer at mickey.rotary6970@gmail.com or 904-583-1032

RLI Registering Is Easy As

- 1 Simply go to the RLI website www.rlitraining.org
- 2 Tap on "Course Information" and then click the "Course Schedule" dropdown tab
- 3 Scroll to August 6th, find Palm Coast RLI, click on "More Info" and follow the prompts

RLI is a great place for newly inducted Rotarians to quickly learn about the "Object of Rotary". Club Officers can build on their Rotary Knowledge to enhance their club experience. Club Presidents can expand on the skills gained at their President Elect Training Seminar. Long time Rotarians can re-ignite the old Rotary flame, and at the same time share their experiences with the other participants. We have just completed one of the most successful RLI seasons ever and wish to thank the Directors for their hard work and dedication.

We wish anyone visiting this site to seriously consider RLI as part of your Rotary Journey. We strongly believe the Sunshine Division of RLI is the brightest division in The Rotary Leadership Institute. (pun intended)

Rotary awards its highest recognition to HRH Prince Charles, Prince of Wales

KIGALI, Rwanda (June 24, 2022) – Celebrate Community, a joint initiative of the four major volunteer service organizations, will launch this year with a focus on local community service during the week of October 10 to 16. In recognition of his longstanding focus on nature-based solutions to address the climate crisis, Rotary today presented HRH Prince Charles with its highest honour: The Rotary Award of Honour.

Presented by Shekhar Mehta, Rotary International President 2021-22, at a private audience during the Commonwealth Heads of Government Meeting (CHOGM) in Kigali, Rwanda, Mehta expressed appreciation for the dedication of His Royal Highness toward sustainability and biodiversity and noted Rotary's shared commitment to protecting the environment.

During COP26, the United Nations climate summit held last November in Glasgow, Scotland, the Prince of Wales encouraged environmentalists to seek nature-based solutions to global warming.

"After billions of years of evolution, nature is our best teacher," the Prince of Wales said. "In this regard, restoring natural capital, accelerating nature-based solutions and leveraging the circular bio-economy will be vital to our efforts."

Mehta, who at COP26 led a roundtable discussion with Patricia Scotland, secretary-general of the Commonwealth, emphasized the critical role mangroves play in mitigating and adapting to climate change. Mangroves sequester large amounts of carbon and also protect against storm surges and coastal erosion, filter pollutants, and provide habitat for aquatic life, among other benefits.

Over the past six years, the Rotary Foundation has supported sustainable, community-based solutions to addressing threats to the environment, directing \$18 million in grant funds toward environmental projects. Protecting the environment is one of Rotary's areas of focus and Rotary clubs are positioned to make a difference in broader environmental efforts, including mangrove restoration.

Protecting the environment is one of Rotary's areas of focus and Rotary clubs are positioned to make a difference in broader environmental efforts, including mangrove restoration.

"The sea is washing away coastlines because mangroves are disappearing," said Mehta. "We are losing our ecosystem. Once mangroves die, our marine system and coastal communities will be lost."

Through pioneering initiatives such as becoming one of the first countries to ban plastic bags, Rwanda is committed to becoming a green, climate resilient and low-carbon economy by 2050 as part of its national development strategy. Local Rotary clubs are taking action towards achieving this goal, having trained over 800 subsistence farms on agroecology and agroforestry methods. They've also led reforestation projects, and

supported smallholder farmers to access biogas and green cooking energy.

The Rotary Award of Honour was established by Rotary International in 1990 to be given to heads of state and other dignitaries who have made a significant contribution to international understanding and goodwill.

About Rotary: [Rotary](https://www.rotary.org) brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. Rotary connects 1.4 million members in over 200 countries and geographical areas. Their work improves lives at both the local and international levels, from helping those in need in their own communities to working toward a polio-free world.
