Hi everyone!

We are looking forward to welcoming our Rotary Club to Our Lady of Lourdes next week on June 5th. I wanted to provide a few details to make it as easy on everyone as we transition here for the summer.

First, we will meet each week in the Community Center. The easiest way to enter campus to access the Community Center is via the University Blvd entrance (the main parking lot). You will see the large statue of Mary near this entrance. You are welcome to park anywhere in this lot and should see the building labeled "Community Center" straight ahead.

Second, we will have a sign out front of the Community Center to welcome Rotarians. Just look for the sign at the double doors and enter right through there.

Third, we will enjoy lunch each Monday prepared by our chef. Unfortunately, we do not have the staff to serve everyone, so we will have a weekly buffet lunch. We simply ask that you throw away your items after you are finished/before you leave. You are welcome to grab a plate as soon as the food comes out; just keep in mind that since we are not being served simultaneously, some may finish sooner than others.

I apologize that the space is not as wide open as the Palmetto Club, but hopefully, this will be a good solution for us for now. We look forward to welcoming you all to campus on Monday, June 5th!

All the best,
Steve

Proposed New Members for May 2023

Monday, May 29, 2023

Dear Member:

The names below have been recommended for membership in the Club. The Membership Committee and the Board of Directors have approved them,

As specified in our club's by-laws:

"A five (5) day period shall be allowed during which any member objecting to the election of the applicant shall notify the Board in writing stating the reason for their objection; or any member objecting at a meeting of the Board of Directors within the five (5) day period that they will appear before them at the next meeting to state their objection."

If no objections are received within five (5) days, the applicant(s) will be invited to become a member.

Mary Cortez, Food Brings Hope **What does Rotary mean to you?**

To me, Rotary means servant leadership. I have had many colleagues and friends who have been involved with Rotary and Rotaract Clubs and they are all passionate advocates and leaders in their communities. Rotary serves as an advocate for its community and a voice for change and growth.

Where were you born and raised?

I was born in Long Island, NY and moved to Port Orange just before turning 5 years old. I was raised in Port Orange and attended Stetson University. I currently reside in New Smyrna Beach.

Tell us about your family.

I am a single woman with no children. I am part of a very large family with four siblings, ten nieces/nephews, and seven great-nieces/nephews...soon to be eight in July. My parents were married for 45 years prior to my father's passing in 2019. I assisted in raising my nephew, Noah, who is 20 yrs old now. We are a close-knit family; we see each other weekly. We often do family cruises and Orlando staycations. My family has always been hard-working, owning several local restaurants and bars. My family enjoys being involved with community services, as a collective we are

involved with: Thrive Community Church, Helping Students Thrive, No Longer Fatherless, Daytona Beach Cowboys Youth Football, and Mr. and Mrs. Mentoring.

Are you involved in any civic organizations?

No.

Fun Fact about you?

I grew up in an Italian family, where food is love. My family and I like to support local family- owned businesses and try new foods. My favorite local restaurants are Chucherias (the pupusas are delicioso), De La Vega (Sunday brunch is the best), Alberto's in Port Orange (the chicken parm. garlic knot sliders) and (of course) the Dairy Bar (a good old-fashioned vanilla cone with sprinkles is Heaven on Earth!).

Have you been involved with Rotary before?

No.

Jessica Scott, Brown & Brown

Where are you from, born and raised?

Born in Miami, but moved to Ormond Beach at 4 years old and grew up in Ormond

Company - how long have you been there?

Brown & Brown Insurance, 18 years

Family info - Spouse / Domestic Partner? Kids?

Ryan Scott, Husband

Cannon Scott, 8 year old daughter

Are you involved with any other civic organizations?

Pace Center for Girls, Checkered Flag Committee

Favorite pastimes?

Traveling, Cooking, Running, Exercising, Boating

Have you been involved with Rotary before?

Yes

Shanie Foster, Halifax Health

Where are you from, born and raised?

Born in Trinidad, grew up in Long Island. Moved to Daytona Beach in 1996

Company - how long have you been there?

Started with Halifax Health in 1996

Family info - Spouse / Domestic Partner? Kids?

Spouse, Andy Foster

Kids, Andy, Mariah & Emilee, & Davis

Are you involved with any other civic organizations?

No

Favorite pastimes?

Tennis, travelling, Beach, Hiking, family

Fun fact:

I love to dance

Have you been involved with Rotary before?

Yes

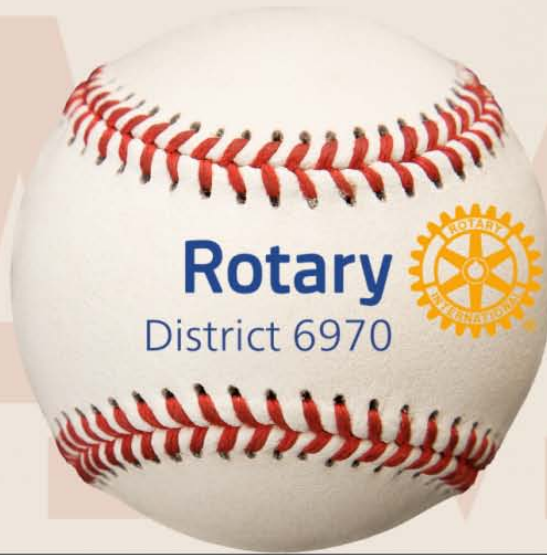

Take Me Out To the Ballgame - District 6970 Style!

Rotary night at the ballpark is back and it is bigger and better! District 6970 is coming together and has booked the Budweiser Bullpen for a pre-game picnic and, in true Rotary fashion, we are going to do some good while we are having fun. Please bring non-perishable goods we can distribute in partnership with Second Harvest Food Bank.

To purchase tickets, visit: <https://bit.ly/3N5EnNv>

ROTARY NIGHT AT THE BALLPARK : :

JULY 5
6PM
DATE

\$25
TICKET

**JACKIE ROBINSON BALLPARK,
DAYTONA BEACH**

Ticket includes game, picnic in the Budweiser Bullpen, and first pitches thrown out by District Governors Jeff Michelman & John Tabor! We will also be collecting non-perishables and cash for

Speaker for Monday June 5, 2023
Randolph Russell, The Fascinating Story of America

The Fascinating Story of America

The history of America is an amazing story but all too unfamiliar. Randolph G. Russell's informative and entertaining presentations have been enjoyed by more than a hundred Rotary clubs from Tampa to Kansas City to Las Vegas. He is the author of *American History in No Time*, a quick and easy way for anyone to learn the basics – in just a few hours.

In addition to his expertise in history, Russell is an accomplished musician who has performed in many European countries and throughout the United States. In business, he held a number of financial management positions with companies in Florida and Georgia. He holds degrees from the University of Miami and the University of Florida. His presentation will have a surprise ending.

IMAGINE
ROTARY

Rotary
District 6970

Greetings from Melbourne, Australia, where Maureen and I are now attending the International Convention. We just completed the parade of flags and then paid tribute to Canada, the home of Rotary International President Jennifer Jones.

For those of you who might think I gained a substantial amount of weight on this trip (which could be true), I had tucked my backpack under my jacket due to the rain after lunch with Ann and John Tabor, Gail and Mickey Ulmer and Maureen.

At the Zone 33/34 social event, I had the chance to share a beer with President-Elect Pete Stanton and President-Nominee Ed Aldridge from the Rotary Club of New Smyrna Beach.

After years of engagement with local communities to battle outbreaks and provide essential services, female frontline workers in Pakistan are now being offered a seat at the policymaking table. The benefits are likely to last well after polio is finally defeated. However, I am disappointed to report that on April 14 two new cases of Wild Polio virus were reported in Nangarhar province, making them the first cases in Afghanistan this year. There were 20 cases reported last year. The cases are from Batikot and Kot districts in Nangarhar, in the Eastern Region, the only region that remains endemic for Wild Polio Virus circulation in the country. A detailed field investigation is ongoing to better identify population groups among whom viruses may be persisting. So far this year, this makes a total of three cases of Wild Polio Virus. The other case was reported earlier in Pakistan.
