### Sunken ships bring new life in the Sea of Cortez

Through the efforts of Rotary clubs and a global grant from The Rotary Foundation, decommissioned military ships are being sunk to form vibrant artificial reefs, providing vital habitats for marine life and creating opportunities for conservation, education, and sustainable tourism.

Marine biologist Carlos Sánchez is a key partner in the project. He explains these reefs offer a crucial lifeline to the region's fragile ecosystem. And, as Rotary member Kikis López de Arbesú says, "If we can dream it, we can live it." [on.rotary.org/3AizVAJ](https://on.rotary.org/3AizVAJ)

## Accessing Your Member Account and The Website

One of the most frequent questions asked is how can I access the club site and update my information on the club site. Well.... here you go!

With this you can make sure your email/phone number is correct, search for others members within the database, the sky is the limit!

Go to the DacDB Home Page, below

<https://dacdb.com/SecLogin.cfm>

Click the Red Text where it says Login Help. Click that and choose I forgot my username / password. Follow the prompts and you will be good to go.

If all else fails, contact Amy Workowski, and she will walk you through the process.

## The Four Way Test

# The Four Way Test

*of the things we think, say and do*

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it **BUILD GOODWILL & BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL TO ALL CONCERNED**?
