#### Mel Stack & Denis Shelley - Estate Planning 101

Estate planning is the process of organizing and managing an individual's assets and affairs to ensure that their wishes are carried out after their death and to minimize potential legal and financial complications. It involves several key components, including drafting a will to specify how assets should be distributed, establishing trusts to manage and protect assets during one's lifetime and after death, and designating beneficiaries for insurance policies and retirement accounts. Additionally, estate planning often includes creating advance directives and powers of attorney to address medical and financial decisions if one becomes incapacitated. By thoughtfully considering these elements, estate planning helps ensure that an individual's estate is handled according to their preferences, reduces potential estate taxes, and provides clarity and support for loved ones during a challenging time.

Club members Mel Stack and Denis Shelley will walk people through the process of creating and updating their plan.

## **Rotary Youth Exchange**

Please share the following information with your members . . .

The Rotary Youth Exchange (RYE) mission is to bring the world together one student at a time. We do so by sponsoring and hosting exchange students in accordance with the guiding principles of Rotary International.

**(RYE) applications are being accepted now for the 2025-2026 school year and our District 6970 Youth Exchange Committee needs your help finding and inviting high school students to apply to be Outbound Students.**

For 50 years, the RYE has been building peace world-wide, one young person at a time. Studying abroad,

participants learn a new language, discover another culture, make life-long friends, and truly become global citizens. Long-term exchanges last a full academic year with students attending local schools and living with host families.

At your next meeting, remind your members about this exceptional program and ask them to help spread the word to family and friends now. Applications are due November 1, 2024. Any questions about the program can be directed to District 6970 RYE Outbound Co-Chairs Inez Grbowski at [inez@rye6970.org](mailto:inez@rye6970.org) or Dan Rodkin at [dan@rye6970.org](mailto:dan@rye6970.org).

More than half of surveyed young farmers met the criteria for depression, and 71 percent showed signs of generalized anxiety disorder, a 2018 study found. The Rotary Club of Iowa Great Lakes (Spirit Lake) is working to support and destigmatize farmer's mental health struggles.

When farmers delivered harvests to local cooperatives in Dickinson County, Iowa, in 2022, many left with something unexpected: a goody bag provided by a local Rotary club, each bag contained goodies and a small card that read: "Work in Agriculture Can be Stressful. It's Okay to Ask for Help."

On the other side was a QR code to access a list of local mental health resources. Farmers are finding support tailored to the stresses of rural life. Read more in our latest collaboration with Reasons to be Cheerful: [on.rotary.org/4eem7fF](https://on.rotary.org/4eem7fF)

## Paul Harris Was First, But Not First!

Was Paul Harris the first president of a Rotary Club? No.

Was Paul Harris the first president of Rotary International? Yes.

There is an easy explanation to this apparent contradiction. Although Paul Harris was the founder and organizer of the first Rotary club in Chicago in 1905, the man selected to be the first president was one of the other founding members, Silvester Schiele.

By the year 1910, there were 16 Rotary clubs, which linked up as an organization called the National Association of Rotary Clubs. Two years later, the name was changed to the International Association of Rotary Clubs, as Rotary was organized in Winnipeg, Canada, and then in England, Ireland and Scotland. In 1922, the name was shortened to Rotary International.

When the first organization of Rotary clubs was created in 1910, Paul Harris was selected as the first president. He served in this position for two years, from 1910 until 1912. Thus, the founder of the Rotary idea, who declined to be president of the first club, became the first president of the worldwide organization, Rotary International.
