# Last Week's Meeting:

We heard from some of our newer members for Classification Talks:

**Maureen Walsh:** Came to Palm Coast in 1990 with her Father John Walsh. She was born in Missouri and graduated from FPC in 2007, She received her Degree in Anthropology from the University of Central Florida and found a home/fit in 2012 at the Palm Coast Observer, she has gone from a Rep. to Operations Manager. Maureen is very involved in her community and is glad to be involved with Rotary!

**Jordan Butler:** Jordan hails from Central Ohio (Mount Vernon, OH) and is a Buckeye! He was always good in Athletics through his years at ERAU (he graduated in 2004). He spent some years as a Professional Baseball Player then a substitute teacher. He taught in Volusia county and found he had a passion for serving others. Laid off in 2008, he received his Masters in Educational Leadership and is the head Baseball Coach (for about 3 more weeks). He is Excited to be a Rotary member.

**Pete Stoughton:** Moved to Wisconsin in 1975 and in 1995 came to Florida for a short time. He is involved with Financial Services that deals with other businesses, had over 11 acres of land and sounds like he has quite the menagerie. Spent his childhood growing up in Zimbabwe (his father was a missionary)

**Chet Swanson:** Born in Massachusetts, has a degree in 'I don't know what' and in 2007 sold his business, moved to Hammock Dunes, he feels this area is the best place on earth! Has lived in Santa Fe, Sedona, near San Francisco and Iowa, a well traveled person! Glad to be here!!

And then there were April Birthdays!

The Golf Tournament Update - Baskets will be put together on Wednesday at 5 pm at Highjackers...

~ NEED GOLFERS! ~

*We will be at The Vince Carter Sanctuary (301 Justice Lane) this week, go to the back building and we will have Rotarians (assigned Outside [Chet Swanson & Jordan Butler] & Inside [Kaiti Lenhart & Vandana Naik]) to guide you to find the correct building!*

Guest Eddie Herrera tried his putting skills but off it went, right by the hole....and the pot continues to build from \$366.
