Last Week's Meeting:

We had a Wonderful Zoom Meeting! It is always great to have a visit from our District Governor but it is even better when it is Rich Turnbull and his wife Marie!!! It is always a pleasure to see two people with so much love and devotion to Rotary as they do! I have included a couple of slides recapping Rich's journey into Rotary. It was very interesting to note that even though he joined Rotary in 2003 he did not have his Rotary moment until 2005. A Rotary moment is when you truly become a Rotarian and you know exactly what it means to be a Rotarian. Can you remember your Rotary moment? Rich and Marie have a huge desire to help and that comes out with disaster relief. In fact, Rich's Rotary moment was surrounded around helping after Hurricane Katrina and working on a chuckwagon providing food for the displaced and workers. This proves that a Rotary moment can strike you at anytime or under any circumstance!

Marie has had her own moments and one must have been when she went to India for National Immunization Day. Ending polio worldwide is a very near and dear goal for both Marie and Rich. They shared a very personal moment by telling us about Marie's mother and her struggle with Polio

Rich let us in on a little secret when he explained how Flamingos became such a big part of his time as our Governor. During his District Governor training Past Rotary International President, Barry Rassin used an analogy of leadership type to a group of flamingos all going in the same direction except one...you guessed it, he encouraged them to be that one flamingo!

There were so many wonderful things Rich brought to our attention but one thing stood out and that was his praise to our Club for all of the great things we have accomplished as a Club. That is why our Club is in the member spotlight this week! Check it out on the next page, review our accomplishments, pat yourself on the back for being a part of these and think....what more could I do and where do we go from here?

OUR MEMBERS SINCE 1981

Rich was kind enough to give our Club many praises for the generosity our Club has shown over the years, the projects that have helped so many in our community and what we can accomplish when we work together. One point I would like to mention is that in the slide that mentions \$342,852 in all-time giving ONLY represents our giving to the Foundation. THIS DOES NOT INCLUDE OUR CHARITABLE GIVING! I would love to say, JOB WELL DONE! I am proud to be your President and would like to encourage each and everyone of you to continue this giving spirit. Always remember we give and we do not for ourselves but to help someone else's' life feel as complete as ours.
