Sp

Andy Kaufmann is a successful entrepreneur and businessman who started in his family business while a child. Andy learned a great deal about business from his first real life hero, his father. One of his duties included assembling first aid kits for his father's business, which in return his father paid him in baseball cards.

In 1999, Andy graduated from Emerson College with a degree in Marketing on a mission to build brands. After selling his most recent company, UST Brands, he acquired Majority Ownership of the Miracle on January 8th, 2019. The team was rebranded the Fort Myers Mighty Mussels and also is a partner with the Minnesota Twins Spring Training.
