Food Bank Contributions

By Mark E. O'Connor on Sunday, November 20, 2022
Member Donations to the Mandarin Food Bank

For over 20 years during the Holiday season the members of our Club have made a tradition of making personal donations to the Mandarin Food Bank. At the December 6th and 13th meetings I will again be collecting those donations. As some of us may remember, this started out as a food drive but was changed over to monetary donations to allow the MFB to spend the money on the items they specifically need.

As always, this is in no way mandatory or expected. Those wishing to donate may give cash or checks made out directly to the Mandarin Food Bank not Mandarin Rotary. If you are not going to be at those meetings but wish to participate, please mail your check to Kari at our club address,

Rotary Club of Mandarin
P.O. Box 23376
Jacksonville, FL 32241

All donations need to be into Mark O'Connor by our December 13th meeting as I will be delivering the funds on December 14th. You can even contact me directly and if I'm available I will come to pick it up from your location.

The current inflation conditions have increased the numbers of the less fortunate families in our Mandarin area. The MFB is an all-volunteer organization and a ministry of St Joseph's Church that directly serves and supports these families. All funds collected go directly to purchasing food. Thank you for your support.
