Megan Hyman - Speaker - September 17th 2024

Saturday, September 14, 2024

Megan Hyman is an occupational therapist with 23 years of experience working in pediatric rehabilitation. Megan serves as the manager of the Adaptive Sports & Recreation program at Brooks Rehabilitation, overseeing a FREE community program for adults and children living with disabilities. After working with patients and families in skilled therapy, Megan discovered her passion for programmatic development. She saw the opportunity to bridge therapeutic services with community integration on a larger scale, igniting her love for collaboration, empowerment, advocacy, and FUN! Megan lives in Jacksonville, Florida with her husband, 2 children, and dog. She loves being outdoors (in the heat), gardening, and cooking.

Last Week at Rotary...

Mandarin Rotary had the pleasure of welcoming out District Governor, Mickey Ulmer, this past Tuesday morning. It was invigorating to hear Mickey talk about everything Rotary from EarlyAct clubs to the continued fight to end Polio.

2025 Rotary International Convention

By James K. Johns

There are many compelling reasons to attend the 2025 Rotary International Convention: Learning from distinguished speakers and thought leaders, engaging in riveting discussions, and finding those serendipitous moments where you exchange ideas and collaborate with diverse people of action from around the globe.

And, of course, the chance to renew old friendships and form enduring new ones!

As a Rotary leader, you're in an ideal position to encourage your members to attend the convention, 21-25 June in Calgary, Canada, where they'll experience Magic All Around at Rotary's biggest event of the year.

Download and use our [promotional materials](#) to help you convey these and other inspiring reasons to attend. Consider using these materials in the following ways:

- View the [convention promotion video](#) together at your next meeting.
- Update your club website with convention information using promotional graphics and banners.
- Post social media graphics on your club or district's social media pages.

Encourage your members to [register](#) and pay in full by 15 December 2024, before prices increase. And because you'll want to experience Magic All Around in Calgary as well, make sure to register yourself too!
