Last Week at Rotary

It was Mandarin Rotary's pleasure to host Rick Mullaney this past Tuesday morning for breakfast. Mr. Mullaney is the current Executive Director at the Jacksonville University Public Policy Institute. It is always fascinating to hear about what is going on in our city. Mandarin Rotary hopes to hear from Rick again in the future.

Please join Mandarin Rotary in thanking and recognizing Bill Gowen, Paul Hardaker, and Mark O'Connor as the recipients of, yet another, Paul Harris fellowship. This is not

the first for any of these three fine young men.

Jim Johns - Speaker - January 28th 2025

Thursday, January 16, 2025

Please join Mandarin Rotary next Tuesday morning, January 28th, 2025, as club President, Jim Johns, hosts our annual business meeting. Please no guests.

If you are assigned to serve and cannot fulfill your obligation, it is YOUR responsibility to find a replacement!

Max's Corner January 21st

By Maxwell C. Zahn

How do you see yourself? [#humor](#)

"If you want to be important, do something important!"

*Most of our generation of
60+ were HOME
SCHOOLED
in many ways*

**1. My mother taught me
TO APPRECIATE A JOB
WELL DONE.**

"If you're going to kill each other, do it outside. I just finished cleaning."

2. My mother taught me RELIGION.

"You better pray that will come out of the carpet."

3. My father taught me about TIME TRAVEL.

"If you don't straighten up, I'm going to knock you into the middle of next week!"

4. My father taught me LOGIC.

" Because I said so, that's why ."

5. My mother taught me MORE LOGIC .

"If you fall out of that swing and break your neck, you're not going to the store with me."

6. My mother taught me FORESIGHT.

"Make sure you wear clean underwear, in case you're in an accident."

7. My father taught me IRONY.

"Keep crying, and I'll give you something to cry about."

8. My mother taught me about the science of OSMOSIS.

"Shut your mouth and eat your supper."

9. My mother taught me about CONTORTIONISM.

"Just you look at that dirt on the back of your neck!"

10. My mother taught me about STAMINA.

"You'll sit there until all that spinach is gone."

11. My mother taught me about WEATHER.

"This room of yours looks as if a tornado went through it."

12. My mother taught me about HYPOCRISY.

"If I told you once, I've told you a million times, don't exaggerate!"

13. My father taught me the CIRCLE OF LIFE.

"I brought you into this world, and I can take you out..."

14. My mother taught me about BEHAVIOR MODIFICATION .

"Stop acting like your father!"

15. My mother taught me about ENVY.

"There are millions of less fortunate children in this world who don't have wonderful parents like you do."

16. My mother taught me about ANTICIPATION.

"Just wait until we get home."

17. My mother taught me about RECEIVING.

"You are going to get it from your father when you get home!"

18 . My mother taught me MEDICAL SCIENCE.

"If you don't stop crossing your eyes, they are going to get stuck that way."

19. My mother taught me ESP.

"Put your sweater on; don't you think I know when you are cold?"

20. My father taught me HUMOR.

"When that lawn mower cuts off your toes, don't come running to me."

21. My mother taught me HOW TO BECOME AN ADULT.

"If you don't eat your vegetables, you'll never grow up."

22. My mother taught me GENETICS.

"You're just like your father."

23. My mother taught me about my ROOTS.

"Shut that door behind you.
Do you think you were born
in a barn?"

**24. My mother taught
me WISDOM.**

"When you get to be my
age, you'll understand.

**25. My father taught me
about JUSTICE .**

"One day you'll have kids,
and I hope they turn out
just like you!"

*This should only be sent to
the over 60 crowds because
the younger ones would not
believe we truly were told
these "EXACT" words by
our parents...*
