## Rotary News

Rotary started with the vision of one man – Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on February 23, 1905, so professionals with diverse backgrounds could exchange ideas and form meaningful, lifelong friendships. Over time, Rotary's reach and vision gradually extended to humanitarian service.

This week, we mark a momentous occasion – the 119th anniversary of Rotary International!

It's a time to reflect on the incredible journey that began on this day, almost a century and two decades ago, when the seeds of a global movement for positive change were sown.

As we celebrate this significant milestone, we invite each member of our Rotary family to reflect on their own journey within this remarkable organization.

What inspired you to join Rotary? What moments of service have left an indelible mark on your heart?
