Club Program - February 21, 2023

Past President's Luncheon

Today we acknowledge and celebrate those who have led the Rotary Club of Orange Park!

Since September 17, 1969, our club has brought together many businesses and professional leaders in order to provide humanitarian services, encourage high ethical standards in all vocations, and to advance goodwill and peace around the world.

Bill Byrns
25 Years
Larry Klaybor
22 Years

Being President of a Rotary Club is a role without many perks, it is a volunteer role of leading other volunteer leaders in our community. They provided leadership and commitment to not only Rotary locally but also internationally, while exemplifying the Rotary motto of Service Above Self. As Rotarians, we strive to do this each day, and as we look forward to the future of our Rotary Club, we respect and remember those who helped make our club great!

Today is also a day to reflect on our history, the projects we have done and the good work and service to so many.

THANK YOU to our Past Club Presidents as well as our current Club President for your service to Rotary!! ❤️

Rotary News

Rotary Peace Fellowships: Training Peace and Development Leaders

Each year, Rotary awards fully funded fellowships for peacebuilders from diverse backgrounds to study at one of the Rotary Peace Centers located at premier universities around the world.

Rotary Peace Fellows use their fellowship knowledge and training in disciplines related to peace and development to amplify their work at the local, regional, or global level. Through academic training, practice, and global networking opportunities, our fellows become effective catalysts for peace. Clubs and districts are encouraged to partner with Fellows on peacebuilding initiatives before, during, and after their fellowships.

The Rotary Peace Center at Makerere University in Kampala, Uganda, offers fellows from Africa or who work with African communities a Postgraduate Diploma in Peacebuilding, Conflict Transformation and Development.

Thanks to generous support from donors and the dedicated participation of Rotary members, the peace fellowship program now has more than 1,600 Rotary Peace Fellows working to make positive change in over 140 countries. Our Fellows are leading peacebuilding efforts worldwide and staying connected to Rotary in various ways:

- Natalia Sineaeva-Pankowska from Poland promotes human rights education through music, arts, and sports, and also coordinates the [Rotarian Peace Projects Incubator](#), which connects Rotary members with peace fellows to support peacebuilding projects around the world.
 - Paul Mushaho in Uganda works to improve opportunities for the community at the Nakivale refugee settlement and helped [establish the camp's first Rotaract club](#). He is also part of the Rotary Action Group for Refugees, Forced Displacement, and Migration.
 - Maiden Manzanal-Frank is a global impact advisor based in Canada and [consults with Rotary clubs](#) and organizations on how to work with communities in ways that create hope and lasting change.
 - Terrance Stevenson became a member of the Rotary Club of Seattle International District, USA, and [founded PeaceAtlas after his fellowship](#) to help businesses grow responsibly and create positive social impact. He is also active in an organization that supports the service partnership between Rotary and the U.S. Peace Corps.
