CLAY EDUCATION  
FOUNDATION

In 1988, education and community leaders established the Clay Education Foundation to support our county's public schools. For over 30 years, our dedicated team has worked to help teachers provide the best possible education to their students.

Through the years, we've cultivated long-term relationships with both educators and community leaders. ## Rotary News

May is Youth Service Month

Youth Service Month is a special time in Rotary. Throughout the month of May, members of Rotary clubs, Rotaract, Interact, and those involved in Rotary Youth Leadership Awards (RYLA), Rotary Youth Exchange and New Generations Service Exchange celebrate the opportunities Rotary provides to connect, grow through service, develop leadership skills, mentor or be mentored, and have fun.

Rotary believes in developing the next generation of leaders. Our programs help younger leaders build leadership skills, expand education and learn the value of service.
