Welcome to the New Rotary Year!!

## President's Message

Welcome to the new Rotary year, which brings with it a new chapter in Rotary's history with the installation of our first female RI President, Ms. Jennifer Jones, to take the helm. Jennifer's theme for this year, "Imagine Rotary" is one of hope and a challenge to all of us to envision the impact that we as Rotarians, can have on the world by working together. Through our service projects and the programs Rotary has sponsored, we can affect lives locally and globally in the most positive of ways.

In order for us to accomplish this, we must continue our efforts to overcome the effects Covid has had on our Club. By encouraging absent members to return to meetings and social events, inviting prospective members to attend, bringing back key service projects and determining new ones to undertake, we can all ensure the viability of our Club.

On July 12<sup>th</sup>, we will have our Club Assembly for the express purpose of hearing your ideas on how to improve our Club. Simply put, we cannot accomplish this without your help. There will be more about our Assembly in next week's COG, so please mark your calendar and plan to attend!

There is no doubt that because of each of you, this is going to be a fun and exciting year and, I cannot wait!

Yours in Rotary Service,  
Bo
