President's Message

Dear Rotarians,

At this week's meeting we will hold our first Assembly of the new Rotary year. The focus of this meeting is to listen to what you have to say about the current state of the Club and your ideas for continued success. I cannot emphasize how important it is to your Board to have an open dialogue to discuss your thoughts in order to address any obstacles or issues.

A good example is what we briefly discussed last week with the updates to the COG to add more communication about what the club is doing and when it's happening in order to give you more time to prepare and plan. These positive changes were made because of suggestions made by several members, in which Mary Virginia & Lisa were able to quickly implement!

In addition to the open forum, our meeting agenda this week will also include a discussion of the recent Club member survey, a review of the Yearly Planner and look at upcoming service projects.

I am looking forward to seeing you and hearing your ideas at the Assembly!

Yours in Rotary Service,
Bo
