## Satellite Club Meeting - April 22 2019

The Satellite Club meeting is taking to the streets again! Our next meeting, Monday, April 22nd, will be held at V Pizza instead of the Lexington Hotel this week. We will meet at our normal time of 5:30pm for social time and will begin dinner at 6:00pm.

**V Pizza Concept:** While we thought that it was an amazing idea to bring truly authentic, very high quality pizza to Jacksonville we were also concerned that many people's opinion of what pizza was would be very different from what we were serving. Imported dry aged Italian meats, San Marzano tomatoes, and 00 flour? Cheese from a buffalo? Pizzas that aren't perfectly round? Burn marks on the crust? These are all characteristics of authentic Napoletana pizza. We were certainly taking a risk doing something different but we felt confident that if any community was ready, it was San Marco near the heart of Jacksonville.

Come share a meal with us at V Pizza, located at 1406 Hendricks Avenue, Jacksonville, FL 32207.
