This Week: Patric Young, A Gator Legend Takes on the Broadcast Booth

Patric Young was a standout player for the University of Florida Gators, leaving a lasting mark on the program. A defensive stalwart with a commanding presence in the paint, Young earned numerous accolades throughout his four-year career. He secured a place among the Gators' all-time greats, racking up impressive scoring and rebounding numbers. Following his graduation, Young embarked on a professional basketball journey that saw him compete in leagues across the globe.

However, in 2021, Patric Young hung up his sneakers and transitioned to a new court – the broadcasting booth. Leveraging his experience and knowledge of the game, he joined ESPN as a studio host for the SEC Network's college basketball coverage. Young's insightful commentary and engaging personality bring fresh perspectives to the network's broadcasts.

June 1st

Volunteers are needed for this year's Rotary Youth Leadership Awards (RYLA), which will be held on June 21, 22, and 23 at Stetson University. As you may know, RYLA is a premier leadership conference designed to foster youth development and is a key initiative under the Rotary International banner. This year, we anticipate welcoming 100-125 high school students who have completed their freshman or sophomore years.

These students, selected by Rotary Clubs within District 6970 covering northeast Florida, will participate in a series of leadership workshops, activities, and lectures at no cost, thanks to the support of our clubs. As Rotarians, we have the privilege of shaping these young leaders by sharing our experiences and skills.

We are seeking volunteers for various roles throughout the weekend, from overseeing activities to facilitating sessions. Whether you can spare a few hours or can commit to the entire weekend, your involvement would be invaluable. For those able to stay for the full event, accommodation will be provided at Stetson University.

Volunteering at RYLA not only supports our youth but also strengthens our Rotary community. It's an excellent opportunity to engage with fellow Rotarians and make a positive impact on the lives of young people. Please consider donating your time to this worthy cause.

If you are interested in volunteering, please visit this link :

Thank you for considering this opportunity to help nurture the next generation of leaders. Together, we can make a significant impact.

Yours in Rotary Service,
