Why is it so hard for us humans to change? As our season is starting to change, and while subtle in North Florida, the summer sizzle is starting to wane and fall is upon us. A bit cooler in the morning, like 80 instead of 85 to start the day. We dress a bit differently, we do not go outside as much, we may change the time we eat dinner, go to bed, etc. all because the season has changed. So we do adapt to change. Funny. Maybe it is a choice we decide to make or not make?

This week in Rotary, I shared with the membership the status of our club financial well-being. While we are financially sound, we cannot continue to operate our club at a deficit in the hope that one of our members will bail us out, or a sponsor or donor will take care of our operating expenses. We have to have a plan to do that, execute that plan, and probably most importantly, change.

This week, we have had opportunities to demonstrate what it means to be a Rotarian and our members have shined! Starting with the fantastic programming, Chair Crystal and her committee continue to wow us. The Hands 4Life presentation by Stacy and Mogan Shewey, Sergeant @ Arms, Ed and James Poindexter did a great job with our raffle, as did all of you showing out as we raised \$300! About a dozen of our members attended the beautiful service for PP Lee Mercier at All Saints Episcopal. And this weekend we have both the Vibrant Clubs Seminar hosted by the district and a community service project organized by Chair Lisa and her committee at Feeding Northeast Florida on Saturday. Check the Gear for all details regarding events.

Next week in Rotary, we have a board meeting and a social. Chair Jan, and board member Lynn have arranged for a Bacardi-sponsored social at Volunteers In Medicine on Wednesday, August 28th at 5:30 p.

Lastly, please complete the club survey Lynn sent out on Tuesday afternoon. The information gathered will be shared with the board during the upcoming board meeting, Tuesday, August 27th. Your voice is important. For your convenience, the link to the survey is below:

Volunteers in Medicine Social August 28 - Please RSVP

Please RSVP

Good afternoon! Our next confirmed Rotary Social will be on Wednesday, August 28, at Volunteers in Medicine. Their address is 3728 Phillips Highway, Suite #34, Jacksonville, FL. 32207. The event will be from 5:30 to 7:30 PM. Our sponsor is Volunteers in Medicine. Lynn Bauman is coordinating with them about food and beverages.

Rotary Pool Social - End of Summer Splash

[Please RSVP](#)

End of Summer Splash!

A Family-Friendly South Jax Rotary Social

Saturday, September 7 11am-3pm

Bartram Springs Amenity Center

14530 Cherry Lake Dr. E, Jacksonville, FL 32258

RSVP to dacDB

There's a pool, kiddie pool, & splash pad and we will grill lunch.

We have a gazebo (the one by the lap pool with the grill - opposite from last year) reserved for us.

Bring a side or snack to share! Invite a guest or friend!

There is no gate to the subdivision. Park anywhere at the amenity center. At the building, there is an attendant and let them know you are with the Rotary Social / Jennifer May, and they will direct you to the gazebo to the right by the lap pool and the grills. Feel free to grab any lounge chair by the pools too.

There is a kiddie pool at the front, a splash pad and a regular pool too! No big floats are allowed and no open alcohol either.

We will have hot dogs and burgers or chicken sliders. If you'd like to grill something else, feel free to bring it! Feel free to bring a side to share!

Please RSVP along with guests so we have an adequate headcount.

Jacksonville, FL 32206

Update: So. Jax Rotary's District Grant

Founders of Eagle Film City, predecessor to the Norman Studios, 1916

Founders Eagle Film City/Norman Studio

We have been notified by the District that our grant request has been approved as of 8/17. This means that our club will have a significant role in helping the Norman Studios establish themselves as an historical landmark in Jacksonville. Founded by a man named Richard Norman in the 1920s the site at 6337 Arlington Rd. has been restored, but the buildings are largely empty. No more, thanks to us, they will soon have new projecting equipment as well as desk furniture for one of the rooms there, enabling the public to attend showings and students to study the various silent films Mr. Norman produced featuring all black casts playing the parts of ordinary people rather than the limited roles black actors were relegated to at that time. He was way ahead of his time. Our project totals about \$12K and the District will reimburse us half of that. Once set up, we plan on having a social there at some point in the future.
