## District Governor Jeff Michelman

For this week's meeting, we are happy to welcome 2022-2023 District Governor Jeff Michelman to the South Jax Rotary Club! Jeff has an outstanding record of service in our District and has been a member of the Rotary Club of Oceanside since 1996, where he served as President in 2016-17.

Much of Jeff's passion for Rotary comes from helping train future leaders. Jeff was an Assistant Governor for Area 7 and is currently a member of the Rotary Leadership Institute (RLI) faculty. He has been active in all levels of Rotary throughout the state of Florida with a particular emphasis on youth and globalization having been the founding liaison for the UNF & Towncenter Rotaract clubs. He chaired the Rotaract Committee for Florida PETS, chaired the District 6970 Global Scholars selection committee and was the chair of the District End Polio Now Committee. Jeff twice participated in the Bike Ride to End Polio and he and Maureen completed a National Immunization Day (NID) in India. Jeff and Maureen are Major Donors, Benefactors, Bequest Society and Paul Harris Society members.

Jeff is an alumnus of Leadership Jacksonville where he served on the Board of Directors, Chair of the Youth Leadership Jacksonville Council and the executive committee. He was also a member of the Inaugural Class of the Dupont Foundation's Community Coaches program.

Please join us in welcoming him to our club this week!

### South Jacksonville Rotarians...

- Demonstrate leader or future leadership potential; this is not necessarily tied to "title"

- only
- Involved with the club service and social activities
  - Get things done
  - Engage in the community outside of Rotary
  - Have a Heart for service

Throughout this year, our Club will be engaging creative ways to increase our impact, expand our reach, enhance the engagement of our members, and increase our ability to adapt. When our membership is strong, our Club is more vibrant, and we have a greater impact on our community.

In simple terms we are asking that each time you attend a Rotary event or meeting bring a member or someone interested in Rotary. We have several new service projects and social events in the coming months that will make this a simpler task. Look for their announcements at our meetings, weekly bulletins and on our Club website calendar.

### **About the 2023 Melbourne Convention**

The Host Organising Committee is very excited to welcome Rotarians and guests to Melbourne for the 2023 Rotary International Convention. Known as one of the world's most livable cities, you will enjoy what we take for granted, a beautiful, vibrant and cosmopolitan city.

Set on the shores of picturesque Port Phillip Bay, the southern-most city of mainland Australia Melbourne is rich in aesthetics, with its beauty enhanced by the meandering Yarra River, immaculate parks and gardens, public art, classical buildings and

innovative design.

Iconic Flinders Street railway station is the meeting point for all people when they come to Melbourne. Start your journey there and enjoy a great coffee and discover what Melbourne has to offer.

Interlocking laneways with graffiti art and the buzzing inner-city precinct reveals one-off boutiques and world-class restaurants, while our larger modern department stores and shopping complexes compete to enchant the most discerning shopper. Melbourne is culturally diverse and is globally recognized as one of the most concentrated dining and fashion cultures in the world.

Melbourne is the heart of Australia's major sports: Formula 1, Melbourne Cup (the race that stops a nation), Australian Tennis Open, and the mighty Melbourne Cricket Ground (MCG) which is home to Australian cricket and our unique Australian Football League (AFL).

Just a short drive from the heart of Melbourne, you can take one of the world's iconic drives along the Great Ocean Road. Head north to the Murray River and sit amongst the great river red gums or relax with a glass of local wine on a river paddle steamer. Or, if you

prefer, head to Phillip Island. Here you can visit the koala sanctuary and see the world-famous fairy penguin parade in the evening. Step back in time - head to Ballarat and try your hand at gold panning at Sovereign Hill. Visit the Yarra Valley, home of great cool climate wines, chardonnay, pinot and sparkling. There are unlimited adventures and discoveries to be had, just a short distance from Melbourne City.

Please keep visiting this site because we will be regularly posting new exciting activities and information. We look forward to welcoming you to our great city.
