President's Corner: Resiliency

Resiliency, from Google's English Dictionary provided by Oxford Languages: the capability to withstand or to recover quickly from difficulties; toughness.

Resiliency is part of my fabric, and I believe a part of the fabric of the Rotary Club of South Jacksonville. While I have not been a member of our club as long as many of you, in navigating COVID, losing long-time members and balancing our budget, our club continues to adapt and become stronger. Our newer members, by newer I mean a member less than 3 years, are contributing and just as engaged as more tenured members. It is a wonderful time to be a part of South JAX Rotary (sorry for the nickname Dean!). Our history is strong, and our future even stronger.

I hope you have a great weekend and I truly look forward to seeing all of you next Tuesday.

Poolside Social September 2024

The South Jacksonville Rotary Club hosted a delightful poolside social hosted by Jen May and her family. The sun shimmered on the water as members and guests gathered to enjoy refreshing drinks, delicious food, and lively conversation. We had guests from the Rotary Club of Oceanside, former First Coast Rotaractors and current Rotaractors. Laughter filled the air as friends and colleagues reconnected, while the vibrant atmosphere created a sense of camaraderie and community. The poolside setting provided a relaxed and enjoyable backdrop for the social, making it a memorable event for children and adults. Thanks to everyone that came out!

This Week's Topic: District Governor Mickey Ulmer

District Governor Mickey Ulmer . . . began his career as an

“old school” retailer. For 25 years, he developed his skills in advertising, promotions and strategic planning. While helping lead an advertising agency, he expanded his focus to hospitality and customer service, which led him to 25 more years with a large regional barbecue restaurant chain, first as VP of Marketing and then as a franchisee serving and satisfying customers every day.

Among his professional and civic honors, Mickey is most proud of being awarded the Silver Medal For Lifetime Achievement from the American Advertising Federation, twice being named Business Of The Year by the Amelia Island Chamber of Commerce, and being honored as a Professor Honorarius by the University of Florida College of Journalism and Communications for years of service to the college and its students. As a restaurateur, Mickey fine-tuned his community service skills supporting the Boy Scouts, the Girl Scouts, the Navy League and more. Seeing a serious need in the community, he helped organize a Cold Night Shelter and donated food to the relief effort; and for 15 years, the Ulmers opened their restaurant each Thanksgiving Day to provide over 200 people in need a hot holiday meal and a bit of encouragement. For a couple summers, he even convinced Santa Claus to vacation in North Florida and help Toy For Tots raise money and toy donations for needy children.

As a member and president of the Rotary Club of Amelia Island Sunrise, he found new avenues for his passion for service and became a Paul Harris Society member. Moving on to District responsibilities, Mickey helped start two new Rotary clubs, served as an Assistant Governor, was a member of the Fund & Procedures Committee and the RLI Director for District 6970.

Native Floridians, University of Florida Graduates and life-long Gators, Mickey and his wife, Gale, moved to Palm Coast at the end of 2020 where he is currently a member of the Rotary Club of Flagler Beach. With his expanded District responsibilities, Mickey is committed to service being his focus for his next 25 years!
