2022 Dictionary Project

[The Dictionary Project](#) is a 501(c)3 nonprofit organization working to provide a dictionary to every student in the United States. The goal of this program is to assist all students in becoming good writers, active readers, creative thinkers, and resourceful learners by providing them with their own personal dictionary. The dictionaries are a gift to each student to use at school and at home for

years to come. Educators see third grade as the dividing line between learning to read and reading to learn, so we encourage our sponsors to give dictionaries each year to children in the third grade. Our Community Service Chair, Steve Jones, has arranged for Rotary Club of South Jacksonville to participate in the distribution of dictionaries throughout our community this year. There will be several opportunities to assist with distribution, including the following...

Dictionary distribution dates:

Greenfield Elementary, **being rescheduled due to hurricane Ian**

Holiday Hill Elementary, **being rescheduled due to hurricane Ian**

Hendricks Avenue Elem, **being rescheduled due to hurricane Ian**

Spring Park Elem, **Oct 6th at 10am**

San Jose Elem, **Oct 6th at 8:30am**

Kings Trail Elem, **TBA**

Southside Estates, **TBA**

Please email Steve (Stevan.Jones@RaymondJames.com) or Patti if you would like to participate.

Fantastic Attendance For Our Ladies Night-Out Event

As one of our first efforts to recruit new members to our club this year, the membership committee held a very successful Ladies Night Out event at Wick's Candle Bar. Thanks to the great organization by Lisamarie Winslow, we had a packed house of professional businesswomen from all over Jacksonville joining us for cocktails, the making of customized scented candles and listening to our presentations about our South Jax Rotary. Rotary coins were given out to each prospect and President Charlie served as our bartender. Wick's Candle Bar, located in San Marco, served as an ideal venue for entertainment and a great place to talk with prospects. With our Rotary International President being a woman for the first time, and with Leslie Redd as our president-elect, the membership committee felt that women holding professional positions in the community would be a great target as new members. Here are photos from the event.

Nominate Our Next DGND

NOMINATE
OUR NEXT DGND

DGND = District Governor Nominee Designate

A Letter

From the District Governor

August 5, 2022

You should know that it is quite an honor for an individual Rotarian to be nominated and for your club to nominate this person for the role of District Governor regardless of whether or not they are selected. Please read the qualifications and submission process for District Governor carefully when considering a Past President for nomination. Please note that serving at the District level is not a requirement. You should consider someone who showed excellent leadership and motivational skills during their term as President of your club. This individual should also have a heart for service and a passion for Rotary. The clubs in District 6970 have an obligation to submit the most qualified candidates for consideration so that our Nominating Committee has several qualified individuals to make a selection from. Who do you want to see serving as your District Governor?

If you are considering making such a nomination, please complete the application and submit as noted on the district Website. [Additional Information and Nomination Form](#)

Thank you for your consideration of this very important matter.

Jeff Michelman

District Governor, Rotary District 6970

Nominations must be submitted by midnight, October 23, 2022

World Polio Day - October 24, 2022

5 REASONS WHY WE MUST ERADICATE POLIO

1 YOUR GIFT WILL IMPROVE LIVES.

Today, 20 million people who would otherwise be paralyzed by polio are walking, and 1.5 million people who would otherwise have died are alive.

2 YOUR GIFT WILL INVEST IN THE FUTURE.

If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year. A polio-free world will be a healthier world for children everywhere.

3 YOUR GIFT WILL IMPROVE CHILD HEALTH.

Polio surveillance networks and vaccination campaigns also monitor children for other health problems, like vitamin deficiency and measles, so we can address them sooner.

4 YOUR GIFT WILL LOWER HEALTH CARE COSTS.

The global effort to eradicate polio has already saved more than \$27 billion in health care costs since 1988, and expects to save \$14 billion more by 2050.

5 YOUR GIFT WILL MAKE HISTORY.

Polio eradication will be one of history's greatest public health achievements, with polio following smallpox to become only the second human disease eradicated from the world.

At the end of the 1980s, more than 350,000 children were paralyzed by polio every year. Today, Rotary and its partners have reduced the incidence of polio by 99.9%. However, until we see the last of the poliovirus, eradication efforts need additional funding to:

IMMUNIZE

more than 400 million children against polio every year

IMPROVE

disease surveillance systems to detect any poliovirus in a person or the environment

HIRE

more than 150,000 health workers to go door to door to find every child

Donate now at endpolio.org

943-EN-(022)

Every year, the Rotary community mobilizes for World Polio Day to raise awareness about global efforts to end polio for good. If we stay committed, we can make polio the second human disease ever to be eradicated. Join us for World Polio Day as global health experts and partners share our progress on the road to polio eradication. Around the world, people who support the fight to end polio take pride in Rotary's End Polio Now logo. It shows that

we are part of a monumental effort to eliminate a human disease for only the second time in history.

One Day. One Focus: Ending Polio
