Club of Fleming Island

Thank you to all who came out to hear John Cantrell, our Clay Chamber President, tell us what the Chamber is doing to make Clay even better going forward. The Chamber supports the businesses that are here. This week we have Crawford Powell, President of the Clay County Economic Development Corporation as our speaker. Crawford works to attract new business to Clay County. I also understand we will have some visitors who may be good membership candidates this week, so please come out and meet them. See you Wednesday! Bill
