## Club of Fleming Island

### John Tabor, District Governor

Wednesday, November 8, 2023

This morning we had the pleasure of hosting our District Governor, John Tabor. He spoke about the Rotary Foundation, Paul Harris Society and our club's contribution to the district. The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world. Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects. <https://www.rotary.org/en/about-rotary/rotary-foundation>
