

Rotary

Club of Fleming Island

Hello RCFI, This week we have Dr. Keith Ashley, head of the UNF Archaeology Lab speaking on the Lab and Native Americans in Northeast Florida. Should be a great way to pick up some fun facts to improve your personal knowledge and wow your friends!

Our Swine & Dine is only a week and a half away, so it is time to make that final push to sell tickets and try one more time for sponsorships. Please make sure you have your calendar clear for Saturday October 8th as we will need help from all to provide the best experience for our guests.

Pete Long-Innes - Chief Operating Officer of HCA Florida

By Alayna Summanen on Thursday, September 22, 2022

Pete Long-Innes, the Chief Operating Officer of HCA Florida with 570 associated healthcare sites in the state, spoke to our club this morning. When asked what the biggest challenge that they're currently facing, he stated staffing issues-flexibility of scheduling work/life balance, there were many retirements during COVID, and compensation.

They are working to be an employer of choice and on recruitment and retention efforts. For growth purposes, they are looking at south clay to grow with the First Coast expressway. They are a Level 2 trauma and Level 3 care NICU. Pete's most excited about their comprehensive stroke program.
