## Club of Downtown Ormond Beach

### RAFFLE TICKETS!

Dear Members:

If you missed our last meeting, we had a wonderful presentation by Sheila Jordan, the new executive director at the Ormond location of Pace Center for Girls. We heard all about the wonderful programs they put on and how we might be able to continue helping them in the future. Our speaker on February 23 will be Dr. Covington from Halifax Health. Don't miss it!

REMEMBER, our raffle drawing is on February 28! Please do your best to solicit ticket sales. The money we raise will go toward our Fit Loop and other projects. Sell sell sell! Still one free ticket up for grabs!

See you on the 23th!

-Frank

See below for service project info and upcoming dates. We are also working on a number of initiatives including the opioid epidemic, human trafficking, and veterans services. If you would like to help in any of these areas, OR have additional project ideas, please email Becky Parker at [rotarybecky@gmail.com](mailto:rotarybecky@gmail.com), or call 563-676-6338.

#### Adopt-A-Highway

This Sunday February 21, 2021 at 9:30am. We meet in the Fletchers Parking lot, we will clean up the roadway between Nova and US1. It should only take 1.5 to 2 hrs.

#### Meals on Wheels - Can You Help? LAST CALL

Meals on Wheels (providing meals and welfare checks for homebound seniors) are still in great need of volunteers, due to increase in requests during the pandemic. We are trying to determine the feasibility of picking up a weekly route, to be shared amongst our club members. Most routes take about 45 minutes, and can be scheduled anytime between 10AM and 2PM M-F according to our availability. If we did a shared route, this would mean our volunteers would only be committing to one day per month or less, depending on how many are interested. *If we hear back from 4-5 members, then we will move forward. If you are interested, please email [becky@ormondmainstreet.com](mailto:becky@ormondmainstreet.com).* So far we have:

Brandon & Lisa Perry  
Lindsay & Husband  
Becky Parker  
Lindsay Bradley & Jeff Gilster

#### Food Distribution in Pierson - March 17

## Ormond Beach Elementary Art Supply Drive

By Rebecca Parker on Friday, February 19, 2021

Ormond Beach Elementary school's art program is severely underfunded (\$300/year), and they are in great need of art supplies. OBE is a low income school, and they don't receive the additional help from parents to cover costs, forcing teachers to often dip into their own pockets. OBE is one of our longterm partners - with Reading Buddies and other projects on hold, this seems like an easy way to help out. **Please see the list below and grab some items as you're out and about. We will have a drop box at the Ormond Beach Mainstreet office (44 W. Granada Blvd).** *I'd like to get as much together in the next two weeks so we can make a delivery before Spring Break.*

However, we will accept supplies on an ongoing basis throughout the school year. Please bring the supplies either to a Club meeting or to the Ormond Mainstreet Office.

Let me know if you have any questions. Give the office a ring before you come by (386) 492-2938.

### Supplies

Glue sticks

12x18" 100lb drawing paper (or any heavy drawing paper that can also be used for painting)

Tru Ray Colored Construction Paper

Black Fine Point Sharpies

Foam paper (for printmaking)

Washable colored markers

Rolls of masking tape

Hot glue sticks (thick - high temp)

Modeling clay

Playdough (for kindergarten and ESE)

## Answers

Friday, February 19, 2021

A 1- The members chose the **name Rotary** because initially, they rotated subsequent weekly club meetings to each other's offices

A2-To mimeograph and mail a new publication, The National Rotarian, to all 2,000 Rotarians in the 23 clubs nationwide.
