**7:35 pm – 8:00 am** Program

**Guests:** STEP Exchange Program Students America Jaspon and Claudia Costa (from Sardinia, Italy), guests of Mary Ellen Kerber; and Rajinder Kartam (visiting for 3 weeks from India), guest of Braham Aggarwal

**Happy Dollars:**

STEP Student Claudia recalled her time in Florida. She misses her Italian food, but as she can make it herself, “it is no big deal”. She also told us of her shopping for a dress at Mall at Millenia. That shopping trip changed her style of clothing. She even mentioned that in America, one can wear their PJs at the airport.

Lori spoke about her Calgary, Canada Rotary Conference and apologized to the Janssens for making them leave early and miss the wagon races and other fun stuff.

Ann Moy had the Happy Birthday attire ready for Tom Meena (actual birthday day) and Jon Clifton. Ann is also looking for assistance in obtaining adult beverages at a “sponsor-a hole golf fund-raiser for the YMCA. Mimosas maybe? Please consider helping Ann!

Braham was very happy his friend from India joined him for our breakfast this morning. Rajinder lives in Delhi. He is vice president of an educational institution that is probably the largest in India, 12,000 schools, and he is always helping so many different institutions.

Crystal Jenkins Jones thanked everyone for the calls, messages, etc, on the loss of her father.

Calvin Wimbish told of his amazing parents turning 101 (Dad on Saturday), Mom, 98.

Jacob Lee has moved into Dr Phillips. Now that he’s “local” he’s looking for a hobby, golf maybe? Anyone want to give him lessons?
