Mrs. Mickey Reynolds, Ed.D.  
Principal, Lake Mary High School

Donna "Mickey" Reynolds was born and raised in Sanford, Florida by parents, Don and Ann Reynolds, who served as career educators in Seminole County. Mickey attended Idyllwilde Elementary, Lakeview Middle School, and Lake Mary High School, where her father served as the first principal. After graduating from LMHS in 1986, Mickey attended the University of Florida. After earning her AA degree at UF, Mickey transferred to UCF to complete her Bachelor's degree in English Education. Upon completion of her first three years of teaching English and Dance at University High School in East Orlando, Mickey moved back to Gainesville to teach English, Journalism, and Debate at P.K. Yonge Developmental Research School and earn her Master's Degree in Educational Leadership from the College of Education at UF.

Although Mickey began her doctoral coursework at UF, she cut short her participation in the doctoral program to move home and assist in opening Crooms Academy of Informational Technology. During the first two years at Crooms, she served as the Technology Facilitator, and for the next seven years, she assumed the role of Assistant Principal in charge of technology implementation and in support of delivering innovative instruction to Crooms students. During this time, she married her husband, Mark Plemens, and gave birth to two children, Jayce and Hannah. Mickey also re-enrolled in a doctoral program in Educational Leadership at UCF, and after being transferred to an Assistant Principal position at Seminole High School, she completed her doctoral program and earned the certification required to serve as a school principal. At the conclusion of her second year in serving as an Assistant Principal at Seminole High School, Mickey was selected as the next principal at Winter Springs High School. After spending five years as Principal of Winter Springs High School, Mickey was transferred into the principal position at Lake Mary High School, and she is now completing her fourth year in that post.

Mickey is still happily married to her husband, Mark Plemens, and her son, Jayce, is currently a 10th grader at LMHS. Her daughter, Hannah, will be entering LMHS next year as a freshman, and Mickey hopes to continue serving in her role as principal of LMHS at least until her daughter graduates. Mickey's father, Don Reynolds, a former Rotarian, who was principal of LMHS for the first ten years, lives on the same street as Mickey, and he and his wife, Ann Reynolds, a career high school English teacher in SCPS, continue to support Lake Mary High School and offer plenty of advice to Mickey as she moves forward in her career as an educational leader.
