OCEWP Rotary Meeting 08292024

President Mke Emerson led us in the prayer & Pledge.

President Mke Emerson and PP Lynne Gleiber attended the District Vibrant Club Workshop. Lynne received the "Service Above Self" award.

Be sure to read the District new sletter. The District wants to use the new sletter and the Ignite App to communicate District new s, and reduce the number of emails.

PP John Ingram was happy with his vacations to the Finger Lakes area in upstate New York, and to Lake Coeur Dalene, Idaho.

PP Lynne Gleiber is happy her Rotaract Club is starting back up.

Ernie Dinkel is celebrating 32 years of marital bliss.

PP Bob Harvey is happy he will soon no longer see the contractor remodeling his house, and will be on an Alaska vacation.

Jim Podshun is back from two weeks in Colorado visiting his wife and his dog. Jim loves his wife and dog very much!

PP Paul Furey is happy about his daughter's fantastic beach wedding. But it is very sad his brother-in-law tragically passed away at the same time.

PP Bob Munn had a hospital horror story regarding his sister falling several times and requiring surgery. Bob also [Heading 2](#) had a dental horror story regarding pulling teeth, wisdom teeth, dentist bleeding and getting a blood test.

Don Johnson told us Jimmy Buffett Day is August 30th, and played "It's Five O'clock Somewhere" to get us into the mood.

PP Rusty Baldwin is happy with his two-week Scandinavian cruise with his wife Meg. Rusty also received the following message regarding John Beattie. "My son John appears to be on his way to an excellent recovery. My heartfelt thanks to each and every one of you for your beautiful and loving prayers. God returned a powerful answer to all your prayers - I am eternally grateful." Ernestine Beattie

Jerry Poppell is happy that Lake Mary won the Little League World Series. This is the first time in eight attempts that a team from Florida won the title.

President Mke Emerson and his wife Mel will both be getting Rotator cuff surgery soon. They both need this to be able to continue to work with dogs.

\$64 50/50 win by PP Lynne Gleiber.

Our program today was presented by President Mke Emerson, who told us the story about his dog Lily. Lily was a feral dog found in Chuluota. Lily was afraid of people and animals. Lily's owner brought him to Mke for training. Mke made progress with house breaking and commanding, but Lily needed lots of work to not be afraid. Lily's owner died suddenly, and no one could take Lily on, and Lily was a tough project, so Mke decided to make Lily his own. Lily's Gotcha Day is 6 years ago. Gotcha Day is a term used for the day a pet joins a family by adoption. Mke had DNA test for Lily and found her to be 49% Black & Tan Catahoula. Catahoula's are herding dogs, and specifically facers which round up livestock. Lily is a dog that needs a job. Lily has made great progress with her behavior around people and animals.
