Lisa F. had \$33 happy dollars for her 33rd birthday, and to announce she and her husband are expecting a baby this September!

Program #1:

Hafeez Ali introduced Tony Medina, coach at Geneva HS. Tony spoke about his journey to become a coach from his childhood to college years in Pennsylvania, then his move to Florida in 1990. He offered some stories from the Bible and stories from professional sports about establishing roots. He wants us to ultimately ask ourselves if we are living lives that could be imitated by others?

Program #2:

P Lee introduced Kristen and Sandy from Orange County Office of Emergency Management. They spoke about all aspects of emergencies. They spent time on preparation, prevention, mitigation, and recovery. They also had lots of swag to give to members, from fridge magnets to emergency radios!
