OCEWP Weekly Meeting 03282024

Meeting held on March 28, 2024

The invocation and pledge was led by Hafeez A.

No guests of the club this week, but we had Andre Klausse visiting from the Longwood Club!

The 50/50 drawing was \$54 and Billy R. had the winning ticket!

Announcements:

We started with a grant presentation for Andre Kluasse from Christian Tech Center, who received a check from our Foundation for \$2,500! Andre gave an update on his now 2 year old 501c3. Flyers for their 2nd annual gala were distributed to each table. Andre also updated us on the newly formed Longwood Rotary club!

Molly A. is in the hospital, she will have a scheduled procedure. Please keep her recovery in your thoughts!

The social/membership event at Lyle's was a great success! 2 prospective members attended and took home applications! Chef Scott catered and each member was able to share what Rotary means to them!

Our club had the most volunteers outside of the the Dr. Phillips club, which hosted the Arnold Palmer Invitational!

Happy/Sad:

PP Bob H. reminisced about PP Frank Tibbits whose old building on University and Forsyth roads was struck by lightning and caused a fire!

Mary T. was sad to have been in W. Palm Beach for a funeral of her friend. She was happy now that her 10 day vacation starts today!

PP Rusty B. was happy to announce his cousin Rick Baldwin will be back next meeting to finish his Winter Park History talk!

Ernie D. was happy his daughter married her Air Force beau!

PP Bob M. said it was 52 years ago he signed up for the Air Force. Sadly, Bob's commissioning officer Tom Stafford passed away.

DJ was happy to wish us a Happy Easter with a March Madness song played on his phone! He played a song for PP Bob H. to remember Kentucky!

Jerry P. was happy to help his friend, a stamp collector, move his stuff!

P Lee introduced PEE Matt W. who gave us an update on the state of homeowners insurance in Florida. He spoke about the 9 carriers that have left the State in the past 3 years. He gave lots of reasons why the conditions have changed and why the rates have increased so much. He also spoke about auto insurance and even spoke about commercial insurance. He wrapped it up with several tips on how we can all lower our premiums, then had a lengthy Q&A session!
