## Annual Toy Drive

ROTARY ANNUAL TOY DRIVE HAS BEGUN!

Please help support our Rotary Club of Fort Lauderdale Toy Drive. We collect and package the toys and distribute them to the children the first week of December. So – we only have a few weeks to make sure all our children get a toy! We will be providing toys to needy children suffering with chronic illnesses, cancer, disabilities, mental illnesses and extremely poor – living in poverty. Many of these children would not get a toy without the generosity from our Rotarians. It's easy – we've provided an Amazon list of toys – just click on the link, select, and purchase a toy and it will be delivered! Please help!

**PDG Fred Anderson Memorial Project at *Ak'Tenamit***

*“Set the bar high for service above self.”*  
Fred Anderson

Fred Anderson served as District Governor in 1990-1991 and was the first to enter the District 6990 Hall of Fame. He was a model Rotarian who travelled to rural Guatemala along with Fort Lauderdale Rotarian Wilkie Gilbert and a group of Rotarians over 20 years ago to build 5 houses for Q'eqchi Mayan Villagers (Rotary's *Ak'Tenamit* Project). In memory of his inspiring leadership, Rotarians from District 6990 are invited to participate in the upcoming Rotary Action Trip to the *Ak'Tenamit* school in Guatemala in the following ways:

- [Join us on the trip!](#) March 25 to April 1, 2023

## March 2023 Rotary Action Trip to the Ak'Tenamit Project

### March 2023 Rotary Action Trip to the *Ak'Tenamit* Project

*"The best way to lose yourself is in the service of others."*

Mahatma Gandhi

Rotarians from District 6990 are invited to join fellow Rotarians from District 5240 in California for a week of service at one of the most enduring projects supported by Rotarians for over 20 years.

*Ak' Tenamit* was started in 1990 with 11 boys and 3 girls in the first class. It was founded by Steve Dudenhoefer from Florida, who remains today as the Chief Technical Advisor of *Asociación Ak' Tenamit*. Today, the school serves over 600 indigenous Mayan students and is managed entirely by the Q'eqchi people. It is viewed as a global model as an effective grassroots approach to vocational education, income generation, and health care.
