Today's Speaker/Program

Speaker: Robby Cox, Ag and Tech teacher and FFA advisor at South Dade High School.

Mr. Cox presented us with 5 FFA students who will be competing at the state level for the first time in the Parliament & Procedures competition. It is an extremely difficult accomplishment to be in the competition. The students presented a mock meeting to the members as an example of the P&P competition. They are given prompts which the students must present as in a meeting. A great presentation, difficult to explain in writing. However, the members were enthralled and asked a lot of questions. WE are proud of these amazing kids, the future is brighter with them leading the way. They need funds, of course, to pay for their competition travels. The board will consider when it meets in May.
