Volunteers are also needed prior to race day

Volunteer, Run in the Race or do Both!!!

There are a variety of volunteer needs, from preparing runner packets to distributing bib numbers & shirts to the runners on November 20th, November 21st, November 22nd and November 23rd. Any help is greatly appreciated! Individuals or families can sign up to help in any area that interests them. If Rotarians want to volunteer in a group setting, the best opportunity is Refreshment Set-Up & Distribution at the Convention Center on Thanksgiving morning.

Help Wanted Request from Rotarian, John Bradley

Each year, our club hosts an exchange student in which we need to secure 3 families within the city limits to host her for about 3-4mos. These families do not need to be Rotarians. They can be your family members, friends or colleagues. She will need a host family in January and another in April.

If you or someone you know can help out, please contact him directly at John Bradley - bradley7090@icloud.com
