Rotary Minute

The following Rotary History bites are from a booklet published by Clifford L. Dochterman, Rotary International President 1992-3, "The ABC's of Rotary."

Matching Grants

One of the most popular programs of the Rotary Foundation is Matching Grants which assists Rotary clubs and districts in conducting international service projects. Since 1965, more than 24,000 grants have been awarded for projects in nearly 170 countries, totaling more than \$243million.

The Rotary Foundation provides matching funds to clubs or districts for relatively small, one-time only humanitarian service projects. Grants are awarded for a wide variety of projects, such as providing agriculture, water, and medical care equipment, combating diseases, helping the disabled; promoting literacy and numeracy; and developing educational or occupational training programs. The minimum grant award is \$5,000.00 and the maximum is \$150,000.00. The Foundation provides a \$.50 match for every \$1. Cash contribution and a \$1 match for every \$1 District Designated Fund contribution.

Matching grants are not approved to purchase land or construct buildings and may not be used for programs already underway or completed. Personal participation by Rotarians is required, and the benefits should extend beyond the recipients. The Matching Grants program plays a very significant part in The Rotary Foundation's humanitarian work and provides an important incentive for club to undertake worthwhile service projects in another part of the world.

Program

Today's meeting was an **update on Canalfest results**.

The membership has chosen to put our efforts on the **International Student Day** which has been shifted around a number of times. We will not have another BBQ at this time.

The **International Student Day schedule** has been sent to all members to get the logistics straight in everyone's mind. This should answer a lot of questions as to the lunch at MVCC, the program given at the time of the lunch, and host visits. Host families can be determined later.

Canalfest stats

This year our **sponsors** for Canalfest gave a total of \$16,000.00

A number of **bills** have not been paid yet. These include tent use & 7 missing chairs; Gulla signs; Ace Hardware; the Ad Bill – CanV.

Food Vendors: Doug Chmielewski \$2,000.00 or \$1500.00, have two different entries ride food vendor: \$100.00; BBQ: \$200.00; Arizona Taco: \$400.00; Rail & Canal: \$100.00.

Merchandise Vendors for a total of \$5,524.00.

Photo show: \$42.00; **Fishing Derby:** \$398.10.

Rides: \$6,000.00.

Gate: only info I have is previously: \$3,351.14. Lower than 1st year.

50/50: \$731.00

Total gross so far: \$21,087.00

Costs

American fireworks: \$4750.00 – higher than last year; Water Ski Show: \$1500.00 – higher.

Problems

Vandalism: more of a police presence needed. Also, do we want to partner with the police department at the next Canalfest?

Booth was robbed.

Suggestions

Partner with Kiwanis in order to have more bodies at Canalfest.

Cut the event to two days.

Ask some of the organizations that we give money to, to help us at Canalfest.

Notify other Rotary clubs that we need help at Canalfest.

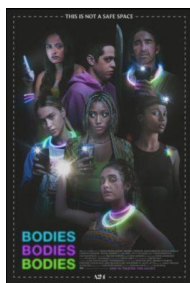

Ukrainian Center donation

a \$1200 donation to The Center in Utica to support their efforts to assist Ukrainians who are resettling in this area to escape the violence in thier homeland.

Featured Rotary article June 2022. General Officers of Rotary International, 2022-3.; Telling our stories:Jennifer Jones, President Rotary International condensed

General Officers of Rotary International

President: Jennifer E. Jones, Windsor-Roseland, Ontario Canada.

President's message

The Rotary magazine is a treasure trove of photos and memorable stories about our great organization.

As a communications professional Jennifer longs for the day our stories would be a regular part of mainstream media and our flagship magazine might populate doctor's offices, coffee shops, or anywhere else people sit, wait, and browse. It's great that Rotary members are better informed about all we do and wouldn't it be that much better if more people knew our stories.

Over the next 12 months she will shine a light on projects that put Rotary service on projects that put Rotary service on display to the world, and we are going to do it strategically. Her husband, Nick, and she will focus on some

of the most impactful, sustainable, and scalable Rotary projects from our areas of focus, in what we call the Imagine Impact Tour.

We are inviting top-tier journalists, thought leaders, and influencers to use their channels to help us raise awareness by reaching people who want to serve but have not yet realized they can do it through Rotary.

There is another important issue to consider – our carbon footprint. She takes seriously Rotary's emerging leadership position on environmental issues. The example set by our members during the Covid-19 pandemic is fundamental to how we carve out our future. This means we will harness digital technology to tell our stories. We will be tweeting, posting, and going live to anyone who will listen. We must consider the environment and part of that means not always traveling but continuing to connect in meaningful ways as we have for the past two years. Of course we are social people and we still need to be together. We simply need to be more mindful of our decisions and think about how we gather just a little bit differently. For example, if we travel to visit a project, we will plan successive visits in neighboring areas.

She hopes that we might consider our own Imagine Impact efforts. Your story might be something that can be promoted just as easily on social media or during a Zoom call. Think about ways to showcase a project in our clubs and districts.
