Club of Rich-Mar (Valencia)

ShelterBox at Pine Richland High School

As part of our increased RichMar Club integration into Pine Richland High School, we displayed the ShelterBox tent and allowed hundreds of students to walk inside and learn about how we can help people around the world when they are displaced from their homes - or in the case of Ukraine how a separate kit with tarps, mattresses and solar lights can allow people to stay in a damaged home for now. Enlightening people on this cause is the first step in being able to support in other ways including donations.

Given PR does not (currently) have an Interact Club, we have teamed with Key Club to show how Rotary provides service to the community and throughout the world. Key Club students helped with assembly and teardown and encouraged students to stop and learn. The PR Principal Dr. Frank Hernandez (seen in the picture below with the Key Club Sponsor and our POC (Rachael Meder) and some of the students observing the tent) were key advocates of this event. RichMar Rotary was noted on the PR Instagram Account that touted the event. We also hosted the Mars Principal, Interact Sponsor and two Interact Club Leaders to see how this event occurred so we can start working with them on a similar event.

Our thanks to Dave and Melanie Sturrock who are the local ShelterBox Ambassadors (and members of the satellite club) for all their work to make this event a success - Melanie is pictured with Dave Hein below. Our Club is donating \$250 to ShelterBox in thanks for Dave and Melanie's efforts.
