WORLD WATER DAY REPORT

On March 22nd, World Water Day, Andy Fraley, from Ingomar Living Waters (ILW) shared with us some of both the horrendous needs and the amazing work that ILW is doing to meet those needs.

Following are some of the key points of Andy's presentation:

- QUESTION: Which kills more people worldwide every year?
 1. Aids
 2. Malaria
 3. Measles
 4. Earthquakes
 5. Floods
 6. Lack of access to clean water

Answer: Lack of access to clean water kills more people than all the others combined.

Here are a few photos of some of the places people are getting their water to drink:

Yes, the animals and the people often do get their water from the same place.

Following is a summary of what ILW did in 2022 alone to help change things:

What Rich-Mar and/or you individually can do to help:

Adams Area Fire Department Fundraiser

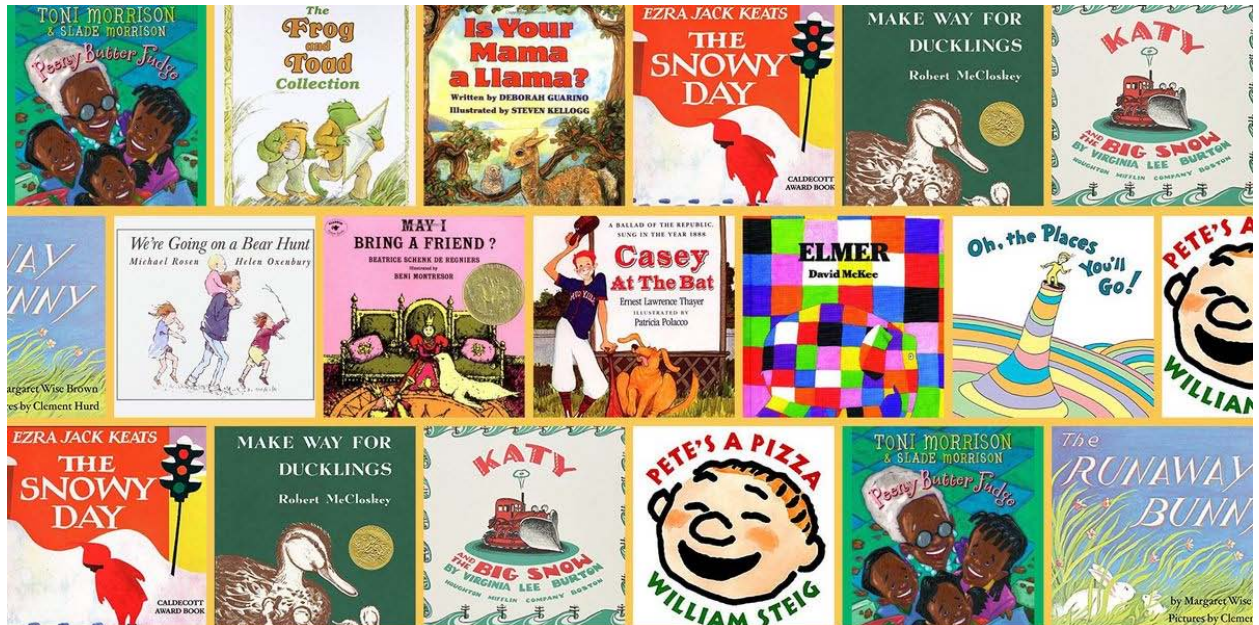

Let's make a difference to an important part of our community -the Adams Area fire department. Mars UP Church is sponsoring a fundraiser pasta dinner at their location. They need volunteers to help with prep, serving, cleanup and ticket/fundraising for the Saturday April 29th event. Invite your family and friends too - and show how our Club serves others.

Rich-Mar Rotary Wants Your Books To Help Kids

Many of the city school kids that Urban Impact reaches via its tutoring program do not have the benefit of books at home. Reading books aids kids who are learning basic phonetics to put sounds together into words. Reading also begins the next step - reading comprehension. Rich-Mar Rotary Club is doing a collection drive to donate books to these kids to have at home and to use through the summer months when their reading skills would otherwise atrophy.

Thanks to those that have already donated books - Urban Impact missionaries are already at work distributing books to children who otherwise might not be reading at home and developing their literacy. **We could use more** - see Dave Hein at Club Meetings or text him at 412-807-1340 for pickup. We will accept books all the way through high school level, although elementary level books are most preferred.

The Satellite Club of Rich-Mar Rotary invites everyone to attend one of their meetings on the second Tuesday of the month, at 6:30pm at Willees Tavern in Valencia. and/or to help out at one of their service projects or fundraising events.

Volunteers are needed to help with the following events:
