September 11 - No Meeting

Celebrate 9-11 by thanking a first-responder, an active duty soldier or a veteran for their service. And especially remember those who sacrificed their all in service to our communities and country.

President's Message - The Simple Things

The new Peace Pole has been installed at the Rotary Pavilion in Adams Park. You will also notice we have renamed the pavilion the Rich-Mar Rotary Ed Vogel Sr. Pavilion. We will have an official simple rollout shortly. We have also made progress with Mars Borough on the business district clock installation. The pedestal is now in place and we hope to have the clock installed and running by Applefest. These are simple yet very important things we do to make our community better.
