A promotional poster for Mars Applefest 2023. It features a large, stylized title "Mars Applefest" in red and white, with "October 7, 2023" below it. The background is a lush green field with a wicker basket overflowing with red apples in the foreground. Text on the right side reads "Hosted by the Rich-Mar Rotary Club and its Satellite Club" and "A tremendous amount of outpouring from the community makes Applefest a reality. This is especially true of the local churches and other non-profit organizations who host tents with fun kid-centered things to do, such as face painting and games. Being a town called Mars, there is a strange propensity to the extra-terrestrial, including a flying saucer in the town square! This little piece of Americana is much beloved and a popular flashpoint in the festivities. Visitors of the town and the festival have the chance for an awesome photo opportunity!" followed by the URL "https://marsapplefest.com/". At the bottom, it says "Come and join us from 10:00 am to 4:00 pm".
