CREATE HOPE
in the **WORLD**

RI President R. Gordon R. McInally calls for Rotary to create hope in the world by working for peace and mental wellbeing. He urges members to engage in tough conversations and earn the trust that's necessary to realize these values.

January 2024 - Vocational Service Month

Vocational Service calls on us to empower others by using our unique skills and expertise to address community needs and help others acquire or refine skills and advance their professional opportunities. By bringing together people from diverse professions and backgrounds, Rotary recognizes the importance of all skills and occupations. A vibrant Rotary club reflects the businesses, organizations and professions in its community, embracing diversity in experiences and perspectives.

Rotary's Four Roles in Promoting Peace

Rotary and its members are:

- **Practitioners:** Our work fighting disease, providing clean water and sanitation, improving the health of mothers and children, supporting education, and growing local economies directly builds the optimal conditions for peaceful societies.
- **Educators:** Our Rotary Peace Centers have trained more than 1,600 peace fellows to become effective catalysts for peace through careers in government, education, and international organizations.
- **Mediators:** Our members have negotiated humanitarian ceasefires in areas of conflict to allow polio vaccinators to reach children who are at risk.
- **Advocates:** Our members have an integral role as respected, impartial participants during peace processes and in post-conflict reconstruction. We focus on creating communities and convening groups that are connected, inclusive, and resilient.

The Four-Way Test of the things we think, say or do.

Is it the truth?
Is it fair to all concerned?
Will it build goodwill and better friendships?
Will it be beneficial to all concerned?
