Club of Cranberry Township Sunrise

RI President-elect Stephanie Urchick celebrates the magic of Rotary. She says members create that magic with every project completed, every dollar donated, and every new member of Rotary.

October: Economic and Community Development Month

Economic and community development isn't just about building businesses; it's about building futures. This month, I encourage each club to explore ways to contribute to economic growth in your local communities. Consider partnering with local organizations to provide mentorship, financial literacy programs, or opportunities for youth entrepreneurship. Together, we can create an environment where everyone has the chance to thrive. ~ *DG Zachary Convington*

Hurricane Helene - Relief

Disasters in Zones 33/34, like hurricanes, earthquakes, and fires **are devastating realities**. When disaster strikes, Rotarians are ready to assist. If you are in an affected area, your first step should be to contact your club and district leadership for immediate action.

Those outside affected areas can [help by donating funds](#). Together, we make a difference.

The Four-Way Test of the things we think, say or do.

Is it the truth?
Is it fair to all concerned?
Will it build goodwill and better friendships?
Will it be beneficial to all concerned?
