Michele Jurysta read the 4 way test after our pledge of allegiance and prayer.

Happy Bucks

Jerry Andree – Always Happy! Last nights event with Rich and Michele kudos to a great event!

Mike Patsy – Michael Peuler is home and healthy!

Brian Donatelli – Happy to be here!

Elizabeth Echevarria – Happy 5 times and great event around Human Trafficking yesterday! 40 folks in the room for the informational session.

Tim O'Brien – Happy Mike Ozdinec came out of his office to join us today!

Treasurer's Report – Shawn had family emergency last night, stay tuned, no real changes.

Membership Report with Elayne Wilhelm – 4 new members in sunset and 3 new members in sunrise last few months! Elayne mentioned the mentorship program and think back on it and instead of having mentor per new member we would have an informational session. Next

Membership meeting January 27th after the meeting (Last meeting of the month).

Jerry Andree shared its important to have one-on-one mentoring relationships. Karen brought up the idea of sponsor and mentor being the same – and the idea of having different roles was really important and having lunches.

Elayne ordered name badges for Brian, Jenna and Greg – new members. Kim Reuss lost her name badge and needs a new one per Jenna. The cost to replace a name tag is \$11.

Induction of Brian Donatelli was done by Elayne Wilhelm. Duties: attend club meetings, help with service and use your skills and talents to serve the community.

Communication – Jerry Andree thanked all for their work and all the calendar events are updated. Matt Fiore doing great job on the website. George Evans doing a great job on scholarship. Committee working real hard. Matt needs stuff from Ron and Jack Cohen for speakers etc. for the district conference.

January 20th is next communication meeting after the regular meeting.

Foundation – Kim Reuss not here, but one item she brought up to Karen – if you make a donation into foundation – it goes in for the calendar year.

Community Service – Rich Vozel – snow angel program going on until there is no snow.

1/14 – 830am – Lighthouse Foundation – 6 volunteers signed up and could use more.

1/19 – next Community Service Zoom Meeting

1/27 – Friday night at 6pm – Kim Reuss will have grant we received – cooking at Kim's house and put together life support bags. Elizabeth Echevarria mentioned there may be wine.

Food Drive – Linda – March or April 2023 is food drive – Rich would like to do the Food Drive in March and do a Blood Drive in April. Finalizing date.

Clean Water Workshop – We should be able to drink out of brush creek – look at doing a demo of filtering water – Mike has materials to use and Tom and Ben would leave the effort – sometime before it ends.

Fundraising – Karen has had a series of meetings with Chris Williams and Mike Pologruto with the Elks dealers. This will be modified Texas Hold'Em – there will be different level tables. He is looking for dealers – he has 7 but would like to get to 13. He wants to rotate dealers in and out all night. It will be 4 hours total. Putting it on Facebook, TV screen and all ad channels. Karen asked for the event to be put into the Cranberry Eagle 2 times – Michelle Jurysta will help there and so will Jerry Andree. Facebook and website are going. QR codes are going to be able to buy right from the ad. The CTCC community sign still needs done – Jerry will take care of this. Karen did email everyone the whole packet (check your spam) donations and sponsorships will be dropped off at the Elks. The kitchen will be open – Tracie and Jenna are on top of that and food ideas and budget. Jenna is going to meet next week and asked for any food ideas to share. Basket tower coordinator. Baskets needed. Cyndi will do a basket. Karen just needs coordinator to organize baskets. They will be in program and that will be in the welcome.

Jerry asked about our net goal for fundraising. Karen would like to match a goal we give here for BC3 (appx. 3 scholarships at \$2,000 each). Matt Fiore asked if Rotary is contributing to this event – money will come from event per Karen. We spend money – and take out our money. We get 50% and that will go to support our scholarships. Karen shared we have scholarships and wants to keep the communications simple. The money for Elks are just going to scholarships, but our money may go to scholarships, may go to district conference. Karen is hoping to get the event to \$8,000 range. Vic asked about the composition of the tower – Karen confirmed it is a beer tower, a wine tower and a whiskey tower.

The bourbon boys at the Elks will be mixing special nights to fit the Roaring 20's Theme!

219 max limited – Tim Hester mentioned it would be good to put on the website seating limited.
