Happy Bucs:

- Michael Pologruto is happy that his daughter is fine after she was in an accident last week. Only damage was to the car and not Ella. Very glad to hear that everyone is safe!

News:

- *Membership:* Tim's application for membership has been submitted so the club will review it and report back.
- *Upcoming Speaker Assignments:*
 - Next week: Christine
 - May 7: Mike Patsy
 - May 14: Club Assembly
 - May 21: Lori Zona
- *Adopt-a-Road Cleanup:* Huge thank you to all the volunteers who showed up!
- *North Country Trail Cleanup:* Next Saturday May 1! Hopefully the weather will be good and be sure to sign up for this fun event! Directions to the location are on DACdb.
- *Rowan Student of the Month:* We are still waiting for confirmation of the next event on Thursday, May 20 at 8:15 am
- *Rotary Amphitheater Renovations Ribbon Cutting Ceremony:* This will also be on Thursday, May 20 at 4:00 pm. Please be sure to stop out for this if you are free!
- *Lighthouse Food Prep Project:* This will be on Saturday, June 12. More information will be coming.
- *Scholarship Committee:* One of our scholarships had only one applicant and it did not qualify for said scholarship (needed to be for a technical school or BC3). As such, we are going to hold off on awarding this scholarship this year since no one fit the requirements. We will be awarding the other two (2) scholarships and also have two returning Petrone scholarship winners!
- *Baseball Raffle:* We received information for a one-week style raffle for baseball from the company we have had prior sports raffles through. Ron wanted to bring this up to the group.
- *DACdb invoicing:* Figured out how to invoice through DACdb. These will be coming out soon. Please note that there will be a credit for the hotel room charge that we did not use last year due to COVID.
- *Other Club News:*
 - *Keystone E-Club:* They have a barrel at Planet Mart for crutches for Africa. If you have any leftover from prior injuries or surgeries, please do not hesitate to donate them. Ron will be sending the flyer out to everyone.
 - *Satellite Club:* Two people have taken over setting it up. Their first meeting is Tuesday at 7:00 pm at Primanti's here in Cranberry. They will be talking about how to proceed from this point forward.

Fun Facts:

- The first rocking chair made an appearance in the early 18th century. Although Benjamin Franklin is sometimes credited for the rocking chair, history says that rocking chairs were already present during the 18th century, when Franklin was still a child.
- In 2009, Los Angeles hosted the world's first grilled cheese cooking competition: thousands and thousands of people competed at and attended the National Grilled Cheese Invitational,
